We ask you to prescribe

## Scott's Emulsion

because we believe it is

**The Best Preparation of Cod-Liver Oil**

on the market. It also contains the hypophosphites and glycerine.

We use the whole oil because

All teachers declare and all experience proves that "Cod-liver oil deprived of its fat is cod-liver oil deprived of its therapeutic value."

We emulsify the oil because this partly digests it; and we add the hypophosphites because they are indicated in just the conditions that call for the oil.

These are some of the reasons why we ask for the continuance of the generous support that the medical profession has given us for the past quarter of a century.
