

and seven months, resigning in March, 1862. After an intermission of six years and nine months, he was appointed to, and resumed duty at, Hillier, in January, 1869, serving there till removed to Brighton on the 1st of March, 1866. His standing will, therefore, date from the 1st of June, 1866.

The *Rev. John Ambery* came into the Diocese in deacons' orders, in March, 1866, taking office as professor in Trinity College; was ordained priest on the 6th of January, 1867. Did duty only for one year as licensed curate of Carlton, previous to 1868.

The *Rev. W. F. Checkley* entered this Diocese and was licensed to Barrie on the 27th of February, 1867. He left Barrie, and was master of the Model Grammar School in Toronto, from September, 1861, to December, 1862, one year and nine months. For the first fourteen months of this period he had no stated ministerial engagement, but generally assisted in the Sunday services in some of the city churches. During the last seven months he was regularly engaged as assistant at the Cemetery Church, conducting the whole service in the morning, and part of it in the afternoon. The committee have considered that in Mr. Checkley's case there was an intermission of fourteen months; and that his standing should date from April 27th, 1868.

The *Rev. H. Hayward*, ordained deacon by the Bishop of Toronto, October 10th, 1852, and priest, October 2nd, 1868, did duty in London till the end of March, 1868. An intermission then succeeded of nine years and five months, when he was appointed to the Mission of Fenelon Falls on the 30th of August, 1866, having commenced duty on the 27th. The committee, therefore, taking into account the three years and twenty days' service in London, have dated his standing from the 7th of March, 1862.

The *Rev. R. Sanders*, after ordination, was absent in England with permission of the Bishop, about ten months; which the committee think should be deducted from his time of service.

The *Rev. J. D. Cayley*, M.A., ordained deacon June 29th, 1860, left immediately for England, returning in October, 1868, and was licensed to Whitby about the middle of November in that year.

The *Rev. S. L. Arthurson*, ordained deacon the 30th of July, 1848, and priest on the 25th of April, 1866, and appointed to Grantham.

The *Rev. Vincent Clementi*, licensed to North Douro October 14th, 1863. He came to Canada in June, 1866, and with the approbation of the Bishop, but without any specific appointment, or cure, commenced assisting the *Rev. M. Barnham* in Peterborough and the neighbourhood, continuing his service till appointed to North Douro. He furnishes the details of his service previous to his being licensed, and requests that they may be taken into account in assigning his standing in the Diocese. The committee deem this a case which can only be decided by the Bishop; but they would express their opinion that Mr. Clementi's standing should date from the period of his being licensed to North Douro, namely, October 14th, 1863.

The *Rev. W. Stringfellow*, was instructed by a letter from the Bishop, dated March 25th, 1866, to take temporary charge of Waterdown during Mr. Higginson's absence. The committee presume that should Mr. Stringfellow continue to do duty in this Diocese his standing will date from the above day, or from the 17th of April, the actual commencement of his duty at Waterdown.
