

NEWS AND NOTES

Under the title "A University Theatre," George Riddle, widely known by his public readings, will urge in the next number of The American Magazine a somewhat startling suggestion: that the dramatic art should be taught at college.

A Magistrate of Languedoc having lost his wife, wished the province to bury her at its own expense. One of the deputies said that such a thing could not be seriously thought of, 'but,' he continued, 'if it were yourself, sir, we would bury you willingly.'

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

The perfectly contented man is also perfectly useless.

HOUSEKEEPERS that fail to acquaint themselves with the value of James Pyle's Pearline in the kitchen and laundry deprive themselves of the most convenient and useful article of the age.

The chains of habit are generally too small to be felt till they are too strong to be broken.

It is a dangerous thing to neglect a cough or cold or any difficulty of the throat or lungs. Lose not a moment in getting a bottle of Johnson's Anodyne Liniment. You can rely upon it to cure you. It is also a sure preventive of diphtheria.

Individuality is everywhere to be spared and respected, as the root of everything good.

C. C. RICHARDS & Co.,

Gents,—I was cured by using Minard's Liniment of a very severe case of chronic rheumatism after trying all other remedies for two years.

GEO. TINGLEY.

Virtue pardons the wicked, as the sandal tree perfumes the axe that strikes it.

The question whether the wheat of Manitoba can be transported through Hudson's Bay direct to Liverpool is of serious moment to this country as well as to Canada. On this subject The American Magazine for February, J. Macdonald Oxley will throw whatever light recent exploring expeditions can afford, aided by illustrations and details of existence in a region where mercury freezes solid.

In vain I seek for rest
In all created good,
It leaves me still unblest,
And makes me sigh for God;
And sure at rest I cannot be
Until my soul finds rest in Thee.
—Jenny Lind.

The best thing to give your enemy is forgiveness; to an opponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect, to all men, charity.—Miss Balfour.

When I say cure I do not mean merely to stop them for a time and then have them return again. I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. "One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble.
