\$450.00 READY FOR SEA

This is one of our 22-ft. family launches, equipped with one of our 5 H.P. engines. She is comfortable and will carry 8 to 10 people nicely.

She is a good sea boat and we guarantee a speed of 9 miles an hour. Finish the best throughout with solid brass rudder and shoe. We make small sizes too, and also large launches of every description.

We are the only firm in British Columbia manufacturing Engines and Launches complete. We can give you the best value and we guarantee you results.
