HARPER'S YOUNG PEOPLE.

An Illustrated Weekly for Boys and Girls.

16 pp., large 8vo. Price Five Cents a Number, \$2.00 a year. Postage free to all subscribers in the United States and Canada.

A Specimen Copy sent on receipt of four cents in postage stamps.

The SIXTH VOLUME will begin with the Number issued November 4, 1884.

HARPER'S YOUNG PEOPLE is about to be published in London. It is fast attaining a circulation wherever the English language is spoken, and in thousands of homes its weekly visits are welcomed with delight by "young boys and sweet girls and their kind, tender mothers." The extraordinary rapidity with which this wide circulation has been gained is due to the obvious fact that its publishers have spared neither pains nor expense to secure for it the very best literary and artistic work.

The young rejoice in it because it holds for them a world of entertainment and information; their elders approve of it because its entertainment is always wholesome and its

instruction in the highest degree valuable. Parents and teachers have come to regard it as an effective agency for the mental, moral, and physical education and improvement of its readers.

Its serial and short stories have all the dramatic interest that juvenile fiction can possess, while they are wholly free from all that is pernicious or vulgarly sensational. They are intended to be of superior literary quality, so that their perusal may tend to the cultivation of a correct taste in literature. The humorous stories, articles and pictures are full of innocent fun, without a trace of that coarseness which mars so much of the literature that is offered for the amusement of the young.

The papers on natural history and other scientific subjects, travel, and facts of life, are by writers whose names give the best possible assurance of accuracy and value. The historical stories, biographical tales, and anecdotes present attractively the most inspiring and stirring incidents in history, and in the lives of men, women, and children renowned for worthy deeds.

Papers on athletic sports, games, and pastimes give full instructions with respect to those subjects, and in all these departments illustrations freely aid the text. Fine pictures, representing the work of the foremost artists and engravers on wood, lavishly illustrate its pages.

In all mechanical respect HARPER'S YOUNG PEOPLE is as attractive as fine paper, legible type, and skillful printing can make it. There is nothing cheap about it but its price.

PRESS NOTICES.
