

WHAT IS CATARRH ?

From the Mail (Can.) Dec. 15.
 Catarrh is a mucous-purulent discharge caused by the presence and development of the vegetable parasite amoeba in the internal lining membrane of the nose. This parasite is only developed under favourable circumstances, and these are—Morbidity of the blood, as the blighted corpuscle of umberole, the germ poison of syphilis, mercury, toxemia, from the retention of the effeted matter of the skin, suppressed perspiration, badly ventilated sleeping apartments, and other poisons that are germinated in the blood. These poisons keep the internal lining membrane of the nose in a constant state of irritation, ever ready for the deposit of the seeds of these germs, which spread up the nostrils and down the fauces, or back of the throat, causing ulceration of the throat; up the eustachian tubes, causing deafness; burrowing in the vocal cords, causing hoarseness usurping the proper structure of the bronchial tubes, ending in pulmonary consumption and death.

Many attempts have been made to discover a cure for this distressing disease by the use of inhalants and other ingenious devices, but none of these treatments can do a particle of good until the parasites are either destroyed or removed from the mucous tissue.

Some time since a well-known physician of forty years' standing, after much experimenting, succeeded in discovering the necessary combination of ingredients which never fail in absolutely and permanently eradicating this horrible disease, whether standing for one year or forty years. Those who may be suffering from the above disease, should, without delay, communicate with the business managers,

TESTIMONIALS.

MONTREAL, QUE., Nov. 15th, 1883.

I hereby certify that I have analyzed and tested the material called "White Bronze," manufactured for monumental purposes by the St. Thomas White Bronze Monument Company, and I find it composed, as represented, of *Refined Metallic Zinc*, of a very superior quality to sheet zinc, and almost absolutely pure. Its great durability under all exposure to weather and storm is therefore fully assured by its high quality. And it will resist decay and further oxidation when its surface is once coated. It is then more durable than stone, and will not lose its handsome appearance from generation to generation. I know of no other material which is equally capable of combining elegance of form, beauty of surface and indefinite durability.

HALL'S VEGETABLE SICILIAN

Hair Renewer.

Seldom does a popular remedy win such a strong hold upon the public confidence as has HALL'S HAIR RENEWER. The cases in which it has accomplished a complete restoration of color to the hair, and vigorous health to the scalp, are innumerable.

Old people like it for its wonderful power to restore to their whitening locks their original color and beauty. Middle-aged people like it because it prevents them from getting bald, keeps dandruff away, and makes the hair grow thick and strong. Young ladies like it as a dressing because it gives the hair a beautiful glossy lustre, and enables them to dress it in whatever form they wish. Thus it is the favorite of all, and it has become so simply because it disappoints no one.

BUCKINGHAM'S DYE FOR THE WHISKERS

Battle of the Books

The WATERLOO of The LITERARY Revolution was supposed to have been met about three years ago. The merry millionaire-publisher laughed and said "I told you so," and dreamed of the return of old-time prices—\$8.00 for books the Revolution had given for 50 cents. There was a hard battle, but it proved to be a "Waterloo." BUNKER HILL Disaster was transformed to victory. To-day the Revolution has a larger catalogue (100 pages, crowded) of better books at lower prices than ever before. The few titles here named are only specimens. FRANCE Guizot's Celebrated History of France we have reduced in price, from \$49.50 to as low as \$5.00. We publish two editions, one in eight volumes, small octavo, with 426 fine illustrations, price, \$8.00; the other in eight volumes, 12mo., with 64 illustrations, price, \$5.00—this The Christian at Work pronounces "A marvel of excellence in every respect, at a marvel of cheapness." Prescott's Great Work, History of the SPAIN Reign of Ferdinand and Isabella, we issue in two elegant volumes, small octavo, illustrated, price \$2.00, also in one volume, 12mo., price, \$1.25. A timely and excellent work, reduced in cost from \$15.00 to \$1.00, is Kenrick's History of Ancient Egypt under the Pharaohs. Also, the Life of EGYPT Chinese Gordon, by Forbes, price, 50 cents. We also publish in five charming Elzevir volumes price only \$1.75, Green's Larger ENGLAND History of the English People. Many will prefer this edition to Hays's published at \$10.00. We also issue Hume's England, six large octavo volumes, library style, gilt tops, price \$6.00, and the same bound in three vols., half Russia for \$4.50. We have, too, Macaulay's England, three vols., small 12mo. for \$1.60, and Dickens's Child's History of England, price 45 cents. Germany is represented by Schiller's History of The Thirty Years' War, Elzevir edition, price 40 cents, and by Yonge's Young Folks' History of Germany, price 45 cents. One of the greatest historical works published is BABYLON ed is Rawlinson's Seven Great Monarchies of the Ancient Eastern World. This we have reduced in cost from \$18 to \$3.00, though ours is really a better edition than the one sold at the higher price. It is in three vols., large 12mo., cloth, gilt tops, containing over 700 illustrations and maps. Gibbons' ROME with Milman's Notes we issue in five volumes, small 12mo., for \$2.25. These represent only a portion of our Historical publications. There are Grote's Greece, 4 vols., \$2.70, Carlyle's French Revolution, 2 vols., 80 cents, and others. Every department of standard literature finely represented. To know what The Literary Revolution is doing you need to see its immense catalogue and read the enthusiastic words of its patrons—but better than all, see the books themselves. Books ordered by mail require 20 per cent. of list price extra for prepayment of charges.
