

Voting on proposals

Rule 42

If two or more proposals relate to the same question, the Conference shall, unless it decides otherwise, vote on the proposals in the order in which they have been submitted. The Conference may, after each vote on a proposal, decide whether to vote on the next proposal.

Elections

Rule 43

All elections shall be held by secret ballot unless otherwise decided by the Conference.

Rule 44

1. If, when one person or one delegation of a participating State is to be elected, no candidate obtains in the first ballot a majority of the votes of the representatives present and voting, a second ballot restricted to the two candidates obtaining the largest number of votes shall be taken. If in the second ballot the votes are equally divided, the President shall decide between the candidates by drawing lots.

2. In the case of a tie in the first ballot among three or more candidates obtaining the largest number of votes, a second ballot shall be held. If a tie results among more than two candidates, the number shall be reduced to two by lot and the balloting, restricted to them, shall continue in accordance with the preceding paragraph.

Rule 45

When two or more elective places are to be filled at one time under the same conditions, those candidates, not exceeding the number of such places, obtaining in the first ballot a majority of the votes of the representatives present and voting shall be elected. If the number of candidates obtaining such majority is less than the number of persons or delegations to be elected, there shall be additional ballots to fill the remaining places, the voting being restricted to the candidates obtaining the greatest number of votes in the previous ballot, to a number not more than twice the places remaining to be filled, provided that, after the third inconclusive ballot, votes may be cast for any eligible person or delegation. If three such unrestricted ballots are inconclusive, the next three ballots shall be restricted to candidates who obtained the greatest number of votes in the third of the unrestricted ballots, to a number not more than twice the places remaining to be filled, and the following three ballots thereafter shall be unrestricted, and so on until all the places have been filled.
