Professor P. E. Nobbs,  
14 Phillips Square,  
Montreal.

Dear Professor Nobbs:-

Thank you very much for your  
letter of the 13th re the McTavish Street property.

Frankly, the suggestion made by  
Dr. Porter did not appeal to me very strongly, though  
I do not know what the Board of Governors will do. I  
have had no intimation yet from the owners of the  
Gault property that 'Rokeby' has been sold. From  
other sources I learn that all that has been done is  
the giving of an option.

Yours faithfully,
