Major H. J. Woodside,  
Ottawa, Ont.

Dear Major Woodside:-

Let me acknowledge receipt of your letter of yesterday with reference to Mr. Bowman, the Editor of the Ottawa Citizen, who is going to attend the meeting of the Institute of Pacific Relations.

I may say I do not know Mr. Bowman and have nothing to do with his selection. The only thing one must try to do is to control in some way the material which he sends out on his return.

Yours faithfully,

Principal.
