Sir Arthur Currie,
Principal McGill University
Montreal, Canada.

Dear Sir Arthur:

We have just made the final payment to A. P. J. Glassco, Bookseller, of \$13,000⁰⁰ on the pledge of \$33,000⁰⁰ due Jan 1, 1929 for the completion of the catalogue, and additions to the Blacker library.

Referring to the catalogue of books and other items in course of preparation for the Blacker library of zoology, it is the wish of my wife and myself, that only the names of Mr. Casey Wood, and Mr. Gerhard Lomer should appear (as Editors and Compilers) on the title page. They, it appears to us have done most of the work of preparing the manuscript for publication.

Very sincerely yours.

R. R. Blacker.
