

CANADIAN PACIFIC RAILWAY COMPANY

OFFICE OF THE PRESIDENT

On Line,  
MONTREAL August 5th, 1922.

Sir Arthur Currie, K.C.B., G.C.M.G., LL.D.,  
Principal,  
McGill University,  
Montreal.

My dear Sir Arthur:

I have your letter of the 3rd instant enclosing copy of a letter written to you by Doctor James Mills.

This I have carefully read and from my knowledge of what transpired in Toronto, I should say that Doctor Mills' statement of the facts is fairly accurate.

I presume that the result of your discussion with the Macdonald College Sub-Committee will be reported to the Governors at their next meeting.

Yours very truly,
