

COMMERCIAL

ST. LAWRENCE MARKET.

Receipts of farm produce were light, no grain or hay, with only about 15 loads of mixed produce in the north building, and a moderate supply on the basket market.

There was a fair trade, but prices were easier for butter, spring chickens, and ducks, and firm for new-laid eggs. Old baskets are a drug, as there is a large supply of American new potatoes, which sell at \$5 per bushel, and in some instances more.

Butter—Prices were easier, selling at \$1.20 to \$1.25, the bulk going at \$1.20 to \$1.25 per lb. Few sales being made at 30c.

Spring chickens—Few choice well matured ducks were on sale, prices ranging at 30c to 35c, but the thin skinned half-grown were not wanted and sold for anything that would be offered.

Spring chickens—Not many choice lots were on sale, in fact we only saw one lot of real good chickens; but there may have been more. Prices ranged from 30c to 35c for any approaching what might be called good, but there were some unmarketable inferior quality bought down at 25c to 30c per lb.

Farmers, feed and finish your poultry better, as it will pay you. Buy your chickens from the egg market was steady to firm at 27c to 30c.

Market Notes. Mrs. Craig of Shellgrove topped the market for spring chickens by selling 6 pairs weighing five pounds per pair at \$1.25 per lb. To E. Mallon, butcher, St. Lawrence Market, but they were cheaply and carefully dressed.

Wheat, fall, bushel, \$0.95 to \$1.00. Barley, bushel, \$0.80 to \$0.90. Oats, bushel, \$0.70 to \$0.80. Rye, bushel, \$0.65 to \$0.75. Buckwheat, bushel, \$0.50 to \$0.60.

Dairy Produce. Butter, creamery, \$1.20 to \$1.30. Eggs, new dozen, \$0.25 to \$0.30. Poultry, Retail. Turkeys, dressed, lb., \$0.18 to \$0.20. Ducks, spring, lb., \$0.20 to \$0.25. Spring chickens, dressed, \$0.25 to \$0.35.

Country hides, cured, \$0.10 to \$0.11. Catskins, per lb., \$0.13 to \$0.14. Deacons, each, \$1.10 to \$1.20. Lambskins and pelts, \$0.20 to \$0.30. Sheepskins, No. 1, \$3.00 to \$4.00. Sheepskins, No. 2, \$2.00 to \$3.00. Tallow, No. 1, per lb., \$0.05 to \$0.07.

Sugars are quoted in London, in bags, per cwt., as follows: Extra granulated, St. Lawrence, \$4.40. Do. do. Reddish, \$4.35. Do. do. Acadia, \$4.35. Imperial, granulated, \$4.00. No. 1 yellow, \$3.60. In barrels, 56 per cwt. more; car lots, 6c less.

Union Stock Yards. There are 44 car loads of live stock at the Union Yards, comprised of 852 cattle, 127 hogs, 137 sheep and lambs, and 27 calves.

Notes. The best grades of melons were readily taken, but inferior clips are still irregular and they were frequently withdrawn. Americans bought a few lots of medium cross-bred, best week 70,000 bales will be offered. Today's sales follow: New South Wales, 1800 bales; scoured, 1d to 1s 11d; greasy, 7d to 1s 3d. Queensland, 1000 bales, scoured 1s 1d to 2s; greasy, 9d to 1s.

MONTEAL GRAIN AND PRODUCE. MONTREAL, July 5.—There was some demand from European sources for Manitoba oats and barley and a few loads of the latter were worked, but as the prices bid for the former showed no advance, being still flat on the market, no sales were made. The local trade in oats is fair, but the demand for other lines of coarse grains is limited. Flour and mill-feed is fairly active at firm prices. The undertone to the market for baled hay is strong and prices have an upward tendency on account of the poor prospects for the growing crop. An easting feeding prevalence in the market for butter and prices in the country have declined 5c per lb. Receipts for the week were 21,866 packages, against 24,265 a year ago. The tone of the cheese market is strong and much higher prices will have to be realized on spot next week in order that exporters may make any money. The demand from English buyers is good, principally because shorts are covering. Receipts for the week were 72,198 boxes, against 91,174 a year ago. Demand for eggs is good; receipts for the week were 319,935 cases, against 948,5 a year ago. Stock: Wheat, 1,177,846 bushels; corn, 7487; oats, 1,940,378; barley, 686,054; rye, 109,653; buckwheat, 4385; flaxseed, 197,627; flour, 216,000.

LONDON AFRAID OF TROUBLE IN BERLIN

Reported Official-Veto Had to Be Put on Foreign Flotations. LONDON, July 5.—In the minds of bankers here Berlin remains a danger spot, and unless there is a marked improvement there between now and the beginning of September autumn events in the German money market may constitute a direct threat both to London and Paris. Rumors that the German minister of commerce is placing a veto upon foreign capital flotations in Berlin are welcomed—any step would be welcomed which tends to strengthen Berlin conditions—the action mentioned constitutes a very eloquent commentary upon the reality of the existing strain, and shows how the latter is cramping German commercial and financial effort.

CHART READERS ON MARKET POSITION

Present Level of Averages Is Well Above Recent Low Record. NEW YORK, July 5.—Wall street chart readers have much to say these days on the prospects in the stock exchange. They argue it is not unusual after such a break as that which reached its lowest level on June 11, to have a sharp recovery, followed by a secondary decline to the low level. A double bottom the chart readers would regard as evidence of strength. If the market did not go to new low figures. Normally, the secondary decline wipes out half of the rally—anything from half of it to all of it. On the present occasion it has been rather too small. Instead of so large as to justify apprehension. The average price of twenty active railroad stocks at the close of business on Wednesday, June 11, was 100.50. On Wednesday, June 18, it was as high as 105.05, showing a recovery of 4.55. At the close of business on Saturday, June 19, the reaction had carried the price back to 102.34, a decline of 2.71, or a little less than half of the previous recovery. The present level is 104.40.

STOCK EXCHANGES CLOSED AT WEEK-END

EUROPEAN MARKETS INCLINED TO SOFTEN

Trouble in Rand Depressed London Market—General List About Steady. LONDON, July 5.—Money and discount rates were quiet today. Reports of rioting in Johannesburg caused further weakness in gold mine shares on the stock exchange and Balkan stocks declined on the uncertainties of the near east. British stocks sagged in sympathy, but there was a slightly harder tendency noticeable at the close, as it is believed the Rand strike will be short. American securities were dull and featureless and closed practically unchanged.

BERLIN, July 5.—A slight improvement at the Bourse today was due to buying based on hopes of Roumania and Bulgaria reaching an agreement shortly. PARIS, July 5.—The Bourse opened firm and closed steady today.

June Volume Greatly in Excess of That of a Year Ago. SAULT STE. MARIE, Mich., July 5.—(Can. Press).—For the second time this year all previous records for one month's commerce thru the American and Canadian canals at Sault Ste. Marie are broken by the showing made in June, when freight carried thru the waterways aggregated 12,113,613 tons. These figures, given in the statistical report compiled by Superintendent L. C. Smith under direction of Lieut.-Col. Mason M. Patrick, district engineer, compare with a freight movement of 11,775,105 tons in May this year and with 10,747,153 tons in June, 1912. The amount is nearly as great as the freight movement for the entire season of 1894, when the total traffic thru the canals was 13,195,860 tons.
