

A FEW LIMERICKS

While "shooting the chutes," in New York,
 Bill Jones wooed a maiden of Cork.
 The knot was soon tied,
 And the groom and the bride
 Are busy now "stalking the stork."

Celia, Amelia, and Delia,
 Were charming young maids of Montpelia.
 They wandered about
 'Til a tramp hollered out,
 "Quit flirting with me, or I'll stealia!"

TITEWAUGHED: "Don't talk to me
 of your business success. Why, man, you
 can't meet your creditors."

SPENFRIFT: "I don't want to."
