	PAGE
Aluminium—	
Prices, imports and exports	5
Antimony—	
Production in Canada; prices, exports and imports	6
Cobalt—	
Production in Canada; exports and imports	8
Copper—	
Production in Canada; prices, exports and imports; production in Nova Scotia, Quebec, Ontario, Manitoba, British Columbia and Yukon	11
Gold—	
Production in Canada; refined gold, exports and imports; production in Nova Scotia, Quebec, Ontario, Alberta, Manitoba, British Columbia, and Yukon	21
Lead—	
Production in Canada; refined lead, pig-lead, prices, exports and imports; production in Quebec, Ontario, and British Columbia	34
Mercury—	
Production in Canada; imports; prices	44
Molybdenum—	
Production in Canada; prices, world's production	45
Nickel—	
Production in Ontario; refined nickel, exports and imports, prices	48
Platinum and Palladium—	
Production in Canada; refined platinum; imports and exports; prices, world's production, production in Ontario and British Columbia	51
Silver—	
Production in Canada; refined silver; prices; exports and imports; production in Quebec, Ontario, Manitoba, British Columbia, and Yukon	57
Tin—	
Imports; prices	64
Tungsten—	
Production in Canada; prices	65
Zinc—	
Production in Canada; refined zinc; exports and imports; prices; production in Quebec, Ontario, and British Columbia; world's production; zinc plants in Canada and the United States	66
