

HAMILTON HAPPENINGS

HAMILTON IS ENJOYING
OLD-TIME SLEIGHING

Three Inches of Snow Make
Citizens Happy—Elections
Stir Little Interest.

HAMILTON, Dec. 31.—(Special).—The municipal elections which take place to-morrow promise to be without excitement. Mayor Lees has been returned by acclamation for a second term, and the aldermen for wards three and four have also been elected in the same manner. There remain, therefore, two aldermen in each of six wards, as well as four controllers for the city at large, to be voted for to-morrow. All of the hotel bars in the city will remain closed to-morrow, but several hotels close to the city limits, in the country, will be kept open, as there are no elections to be held in the country, all of the county officials having been returned by acclamation.

Snow King Reigns.
Following a sudden drop in the temperature and a three-inch fall of snow, the merry jingle of sleigh bells was heard on the streets of the Ambitious City to-day for the first time this winter. A high wind, which rose this afternoon has developed into a gale, and this has accentuated the sudden change in the weather, besides making it extremely uncomfortable for pedestrians. No serious damage has so far been reported as a result of the gale. The natural gas supply, which has often been reduced by cold weather, has not been interfered with by the present cold snap.

Three Sons in Jail.
New Year's Day, 1912, will be sadly observed by the Picard family of this city. Mrs. Picard, the widowed mother of three wayward sons, for whom since the death of her husband ten years ago she has struggled with a stout heart, lies critically ill in the City Hospital, where she was taken a week ago. Then, the eldest son, is in the Central Prison, serving a 21-month term of imprisonment, imposed upon him here several months ago, for theft. Will, the next in point of age, was sentenced to six months in jail on Saturday for the theft of some bottles from the Royal Dispensary. The youngest of the trio, Tom, was arrested last night on a charge of theft, and will spend New Year's Day in a cell at Central Police Station.

Charged jointly with the theft of which Thomas Picard, accused, Margaret Nevilles, 99 Cannon-street west, was arrested last night and occupies a lone cell in the women's section of Central Police Station. The pair will appear before Magistrate Jeffs on Tuesday.

Assaulted Father.
Alfred and Will Lamer of 99 Cannon-street west were arrested last night, charged with being drunk and assaulting their aged and infirm father. They also will face the magistrate on Tuesday.

Tommy Toner, Barton-street east, is accused of having stolen a bicycle on Saturday, for which alleged offence he was locked up in Central Station last night.

Luke Madigan of Bartonville was arrested by P. C. Bleakley yesterday afternoon on a charge of receiving stolen goods, a boarding-house keeper, who alleges that the accused obtained board from her by false pretences.

Thomas Kelly is charged with stealing a fur coat from Frank & Co. on Saturday a few hours previous to his arrest.

SCHOONER RAN AGROUND.

CHATHAM, Mass., Dec. 31.—An unknown two-masted schooner westbound with a cargo of lumber, was hung up on the southeastern end of Handkerchief Shoals for several hours to-day. With the assistance of Captain Kelley and the life savers of Monomey Point, who went out to the vessel in a blinding southeast snowstorm, the schooner was floated this evening.

The life savers remained on board, and the vessel's identity could not be learned.

FEW HOPELESS CASES
AT INEBRIATES HOME

Dr. Harley Smith Asserts That New
Toronto Institution Will Be
of Great Help.

"Very few cases of inebriety cannot be helped in some form," was the assertion last night of Dr. Harley Smith, secretary of the Ontario Society for the Reformation of Inebriates, in an address at Trinity Methodist Church. In backing up his assertion Dr. Smith pointed to the enviable record of the society during 1911.

"Seventy-four per cent. of the cases treated have been very materially benefited," he said. "During the year we have seen 862 men in the police court cells, and have visited 770 of their homes." He then cited cases showing that even the worst forms of chronic inebriety were well worth treating, and that many men have been dragged literally from the gutter to stations of respectability.

"The number of so-called hopeless cases will be considerably reduced," said Dr. Smith, "when we are able to carry on our work at our new hospital and fresh air farm, which will be erected by the city council."

Changes in Main Line Train Service, Canadian Pacific Railway.

As has been customary in past years at this season, the Canadian Pacific Railway will withdraw train No. 8, which leaves Montreal, Windsor-street, 10.10 a.m.; Ottawa, Broad-street, at 1.35 p.m. daily for Port Arthur and Winnipeg after trip of Dec. 31, 1911.

Train No. 6 leaving Winnipeg 6.20 p.m., arriving Ottawa, Broad-street, 2.20 p.m. and Montreal, Windsor-street, 7.00 p.m. will also be withdrawn after trip of Jan. 2, from Winnipeg. On March 17, 1912, the regular train service between Montreal and Vancouver will be inaugurated, when two magnificent trains will leave Montreal for Vancouver daily and vice versa. This in addition to the regular thru train from Toronto to Vancouver, makes the summer service to the west second to none on the continent.

COVETED THE FIVER

But the Russian Didn't Get Away
With the Goods.

The greed for gold gripped Skemion Ivenhoff, 238 King-street east, as all his strength on Saturday night as he circled down the street with his next door neighbor, Peter Johns. Johns exhibited a five dollar bill. Ivenhoff's heart bounded into his throat and his feet as he matched the bill and went down the street with the speed of a flying machine.

The price which Ivenhoff received was the loss of his liberty for New Year's Day. He thought it a good joke, but starting the new year in Eastern-street police station is putting a rather blunt edge on his good humor.

SENATOR LEGRIS HITS
BACK AT LIBERAL PAPERS

It's Quite a Warm Controversy, in
Which Family Affairs
Cut Figure.

MONTREAL, Dec. 31.—(Special).—Senator J. H. Legris of Louisville returns to the charge to-day in Le Pays, giving the opinion of a lifelong Liberal as to some of the reasons which led to the downfall of the late government.

Next week the senator will reply to the attacks of L'Action Sociale, explaining why he sends his two sons to McGill University instead of to Ottawa and Laval.

The senator says he cannot declare white to-day what he denounced as black a few weeks ago, adding that it was such scandal as the Quebec idea, the extravagance around the building of the Grand Trunk Pacific and the Sorel paint scandal, which, taken with the fact that Laurier always preferred to listen to flatterers rather than to those who were telling him plain truths brought about the ruin of the administration. He likewise designates as very foolish tactics those employed by the Liberal newspapers in denouncing every minister in turn before they have been tried and can be judged according to their merits.

Defends English Banks.

Mr. Langlois, in the same paper, also takes Libevement to task after saying that if the French-Canadians are backward in commercial and industrial enterprises, it is because they could not get the same banking facilities from the English banks.

Such arguments, Le Pays states, will not hold water, as it is a well-known fact that a great many of the French-Canadians who have succeeded owe it to the fact that they received accommodation at the English banks when, as a matter of fact, the French banks were too timid to grant them the same help.

THE ERA
—of—
5 o'Clock
MANY years ago,
in common
with all other
Jewelry Houses, 7
o'clock was our regular
closing hour — Satur-
days, 10 p.m.

With fear and trembling in the days of our early struggles, we adopted the 6 o'clock closing—it proved an unqualified success—business did not suffer and in endeavoring for a "nice long evening" for domestic and social purposes, it "made life worth living" for all concerned.

Beginning January 1st, 1912, we go further in the inauguration of 5 o'clock closing, and we believe this may be almost universally adopted with advantage, and have at least the courage of our convictions so far as our own business is concerned.

We would, therefore, ask with confidence the co-operation of our patrons in thus projecting the "nice long evening" into a "nicer longer evening" for the members of our staff. After January 1st, therefore, we close at 5 o'clock the whole year 'round.
