

REPORT
OF THE
Ladies' Aid and Visiting Society.

During the working season this Society met weekly, under the presidentship of Mrs. Dr. MacVicar.

As in former years, the congregation heartily responded to the call for subscriptions to carry on the work.

A number of families were visited, their wants found out, and afterwards relieved.

The usual annual donation was given to Nazareth Street Sabbath School.

At one of our early meetings this year, the subject of visiting families in the congregation where there may be aged and infirm members of the church unable to attend the means of grace was discussed. The matter was submitted to the Deacons' Court for consideration, and met with approval.

SARAH J. McMASTER,

Secretary-Treasurer.
