Bowling Play Trophy

Yacht Defender Wins Main

Note and Comment

Those who know Jack Johnson best say that he worries a lot less than some of his friends over the apparent indignities handed out to the champion at divers places. In Toronto, colored friends threatened to turn things upside down because they will be forced to cross the line for a public view of the fight. Johnson, a de spatch from Indianapolis, Ind., states that Black Jack was barred from the motor course, and it is in order for the fraternity there to demand the closing of the speedway.

According to an Ottawa despatch, it was stated yesterday that the Dominion Customs Department will not prevent films of the Reno fight from entering Canada. So it is possible that those who have been crying about it in Toronto may have the privilege of a private view.

Syracuse comes to the front with two new heavyweights, who hope some time to get into the championship class and take a shot at Johnson. They are matched to box in Syracuse. The contestants will be Al Williams of Pittsburgh, Jimmy Dines' big fellow, and Con O'Kelly, the giant in whom Tommy Ryan, former middleweight champion, plus his faith.

According to unofficial records, our own Toronto teams are the roughest in the National Lacrosse Union, that is, judging from the penalties handed out. Following is the list:

Min.	Games Lost
Tacumseh	7
Toronto	7
National	7
Capital	7
Shamrock	7
Montreal	7
Corwall	7

Here's to John Wilson, editor of The News, and may he to-day land the Labatt Trophy in London!

There was unusual excitement on the bowling green on opening day of the London tournament, for a few minutes, when a rat played tag with Tom Lovelock of the lawn. Tom chased the rodent around for a while to chorus of laughter and yell, succeeding in landing several kicks. After a few moments he landed a good one, which laid Mr. Rat out, finishing the good work with the aid of a half brick. Several of the players reproached him for being a sport, asserting that he should have left the rat to the tender mercy of the kitchen.

Montreal, 3, Jersey City, 2. (Special.)—Montreal defeated the Skaters to-day 3 to 2 by bunching hits on Sifton in the fifth inning for all their runs. Three singles, a double and a wild throw turned the tide for the Royals. For disputing a decision in this inning Manager Ryan was chased. A pass and a couple of hits sent the visitors their first. They got their second by working the squeeze. Score:

RAIN PREVENTS GAME GREYS BEAT ROCHESTER

Buffalo and Montreal Winners—Rochester Gets Pitcher Manning From N. Y. Americans.

The elements were no friends of the Leafs and McInnes yesterday, a heavy shower falling around 2:30, that made the teams cancel their second game of the series. This afternoon, however, the teams will again get down to business, providing Old Sol keeps his peepers good trim, while to-morrow a double-header will be played, starting at 12 o'clock. Either Henderson or McInnes will twirl for the Kellegies this afternoon, while for the visitors, the manager may work his star heater, "Iron Man" McInnes, or in the event of him not warming up satisfactory, Kid Mueller or Southpaw Holmes may do the twirling.

The rain yesterday came at an unfortunate time for the locals, owing to it being a half-holiday, and incidentally it was the last Wednesday holiday that the Leafs will cater to this year. Joe Delahanty arrived home yesterday from Bonanza, where he underwent treatment for his injured arm, he having been twisting a wrench in his throwing wrist. Reese fixed it up, but Joe will have to give it a good rest before he can get into the game again. All the other Eastern League games were played, and as the result, the Leafs and Newark profited by their idleness, for Providence, with their star twirler, Steele, in the box, beat Rochester. The Bisons put away Baltimore by 4 to 3, while Montreal, the Royals winning by 2 to 2, in the American League Washington and New York broke even in a double-header, the latter club winning the second game in the eleventh inning, with Russell Ford pitching.

In the National League the New York and Pittsburgh clubs won their games, while the Chicago Cubs suffered defeat at the hands of St. Louis, the latter club scoring their eight runs in the one innings.

Greys Outclass Rochester. ROCHESTER, N.Y., July 27.—(Special.)—The Greys beat the Bisons yesterday by defeating the home team by a score of 8 to 1. The home team played like a lot of amateurs, and St. Louis, who was in the box for the locals, had to give way to Beecher in the ninth. The playing of the visitors outclassed the Leafs in many respects. Score:

Dudie Archdale Wins Feature Race At Grand Circuit

KALAMAZOO, Mich., July 27.—Dudie Archdale, the favorite, had comparatively little trouble in winning the \$10,000 Paper Mills Stake for 211 class trotters, the classic of the Kalamazoo Grand Circuit race meet, in which a field of 14 horses contested this afternoon. He gave out in the fifth lap and watched his entry win the rich prize.

E. G. Jones, who drove Dudie Archdale, was carried in a floral horseshoe to a spot in front of the timer's stand, where he was given the D.D. Stratter Cup, a silver trophy valued at \$50. This cup is given to the winner of the \$10,000 Paper Mills Stake, the first of a series of trophies to be won by the winners of the D.D. Stratter Cup.

A feature of another kind was the conclusion of the 211 race, left over from Tuesday. Owens, driver of the Philistine, who had been taken down after the first heat, was allowed to resume his place. The Snow drove Halile Lou to a victory. The judges declared all bets off and Owens promptly drew Jordan, his entry for the first race to-day.

Every favorite to-day was returned a winner. In the first race, the 231 trot, interest attached to the fact that Dora, who won without much difficulty, is a Hungarian bred horse owned by Louis Wilmans of Brighton, England, whose Willy won the first race Monday. Summary: 231 race, pure \$100, finished from Tuesday: Halile Lou, b.m. (Snow) won first.

LACROSSE GOSSIP. Both Nick Carter and Fitzgerald will be on the Toronto home Monday against Cornwall at Scarborough Beach.

Nationals come here a week from Saturday to play Tacumseh, and the Indians are banking on a victory. Outside of Lacrosse the team is the same as last year, when the Indians scored 15 goals on the Frenchmen's 2.

The Woodgreen players practice this evening on Queen Alexandra school grounds, after which the team will be picked to play Humber Bay.

The Eaton A.A. intermediate lacrosse team will have its full team on Saturday next in the game with the Woodbridge Wanderers. The boys turned out to practice last evening in good numbers and as they are all in good shape they will play the game of their lives. The last practice before the game Saturday will be to-night.

TAKE "DAVIS" FOR YOUR PILOT

Men used to navigate by the stars before the compass came into use, and when the stars were not shining, they were very, very much at sea.

THEY WERE SHORT OF A GUIDE. When your grandfather bought cigars, he got a roll of tobacco, but was often very much at sea on quality.

Take "Davis" for your pilot and be sure of "quality" when buying cigars.

The "Davis Perfection" 10c Cigar represents a standard of quality hitherto unknown at the price.

"PERFECTION" in the selection of leaf, and "PERFECTION" in the blending of it, has been attained by the experience of over half a century.

The "PERFECTION" Cigar lives up to its name and the name of the house that makes it.
