Baseball Toronto 2 Baltimore 1 — Fight Leonard Wins By Knockout — Turf Seagram Horses At the Woodbine

PUT ACROSS A RUN IN NINTH INNING

Leafs Stage Nice Rally to Down Birds—Four for Thompson.

The Leafs ended their first home series in the proper fashion. They had to stage a ninth inning rally to get the verdict over Jack Dunn's Baltimore outfit by 2 to 1 yesterday. It was a game worth seeing. The hitting was light and well scattered, but the Leafs came thru with the punch at the needed time.

It was "Tommy" Thompson's fourth straight win, and he had a tidy pitching argument with Joe Sherman, one of Dunn's mainstays, before he got the verdict. Bob Williams, the Leafs' new catcher, worked for the first time on the home lot, and he came thru with enough to make him solid for some days to come. It was Bob that poled out the single that brought home the bacon. Manager Larry was again very much before the public eye with a slashing single that scored the Leafs' first run, and started a difficult double play in his smooth manner. Larry also started the ninth inning rally. The Leafs play-e damart ball thruout, and yesterday's win made it two out of three from Baltimore.

Thompson never let the Orioles have more than one hit to an inning and pitched himself out of a couple of shaky looking spots. In the second inning Acosta, the Cuban outfielder of the Baltimore Club, was laid out cold when he took one of Tommy's shoots on the head. Larry Lajoie waived the usual rule and let Acosta back into the game after a man had been allowed to run for him. It was the right play.

Both sides had chances enough, but the pitchers tightened up in pinches and this kept the fans on edge right up to the closing session. Thompson walked the first batter and looked as if he was going to be in for some trouble when Shannon sacrificed. He fanned Barber and made Lamar roll out. Jacobson opened our half by laying down a swing-ing bunt and beating it out. Trout fanned and Jakey was out stealing. Whiteman also whiffed.

A. Williams opened the Birds' second with a single, and Bues flied out. Acosta then took one of Tommy's fast ones on the head and measured out his length on the sod. Fewster ran for him, but the next grounded out. They went out one, two, three in our half. The Birds got their usual hit in the third and fourth rounds, but nothing happened.

Things looked bad for Thompson in the fifth. Sherman singled and Truesdale waited for four wide ones. Shannon hit smartly to Lajoie. The manager scooped it up nicely, passed to Smith at second and at the right height for him to hurry the throw to first to complete the double play. It was a pretty play.

There was action in the sixth round. Lamar started off with a hit and moved up to third on two infield outs. Acosta walked, and Williams supplied a passed ball to let the run score. We evened it up in our half. With two down Whiteman smashed to right-centre for two bags. Larry cut one between third and short that scored Whiteman. Barber was lucky to get behind Larry's smash.

Larry's boys came thru in style in the ninth. Lajoie opened up with a clean single to centre. Graham laid down the bunt, and the throw to get Larry at second was late. Blackburne then moved them up a peg with a neat sacrifice. Smith was deliberately walked. the Birds figuring on a double play with all the bases occupied. Bob Williams upset their calculations by neatly singling over second base and the game was over when Larry scored.

RUTH'S SIXTH WIN BESTS W. JOHNSON

Gives Senators Two Hits—Gilhooley Breaks Collar Bone at Philadelphia.

At Philadelphia (American)—Cy Falkenburg made his debut with Philadelphia yesterday in a game which was won by New York, 9 to 4. The errors of Falkenburg and his new team-mates proved very costly, as only one run scored by the visitors was earned. In attempting to make a diving catch of McInnis' fly to short right field in the second innings, Gilhooley of the visitors landed on his left shoulder and broke his collar-bone.

GRAYS ON LADIES' DAY.

Providence will open a four-game series today with the Leafs, and judging by the way the Grays have been going they will take considerable beating. Tipple will probably be Manager Lajoie's pitching choice and McTigue will likely do the box work for Providence. It will be the first appearance of Jack Egan in Toronto as a manager. He is the old-time pitcher and will be remembered by many local fans.

Today is the first ladies' day of the season, and members of the fair sex will be admitted free.

Tomorrow New York Yankees will be here for an exhibition with the Toronto Club and Shocker will pitch for the big leaguers, who will present their regular line-up. The Yankees before the game will give an exhibition of the military drill for which they are noted. President Johnson of the American League will also be here for the purpose of making a presentation to Manager Lajoie in appreciation of his long and faithful services in the American League.

THE BIG BOUT.

With two battles each to their credit and a draw on two other occasions, it will be decided on Saturday, May 19, whether Ted (Kid) Lewis, the English welterweight champion, is a better man than Jack Britton, the American champion, in the same class. Both men will meet in the squared circle at the top of their form. Britton, who comes from Chicago, always keeps himself in good condition physically, while Lewis' speedy defeat of Jimmy O'Hagan, the Albany welterweight, recently, shows that the English champion is in good condition.

The contest, which is being held under the auspices of the military authorities and the Sportsmen's Patriotic Association, will have two other bouts, between men of different units, as a curtain-raiser. It is anticipated that Massey Hall will be filled to capacity.

FORMER LEAFS WIN GAME FOR BRAVES

Rudolph Gives Five Hits—Fitzpatrick Drives in Runs—Myers is Injured.

At New York (National.)—The New York Nationals won their first game in the last 12 days, defeating Philadelphia by a score of 2 to 1. Both Tesreau and Lavender pitched splendid ball. The score: R.H.E.
Philadelphia ... 0 1 0 0 0 0 0 0 0—1 4 0
New York ..... 0 0 0 2 0 0 0 0 *—2 5 2

Batteries—Lavender, Oeschger and Killifer; Tesreau and McCarty.

At Boston.—Rudolph held Brooklyn to five hits yesterday, Boston winning, 7 to 0. In the fifth Hi Myers, Brooklyn centrefielder, trying to make a shoe-string catch of Konetchy's double, fell heavily and broke his right shoulder. He was rushed to a hospital, and will be out of the game at least a month. Evers managed the Boston team in the absence of George Stallings, who was married this morning in Philadelphia. Fitzpatrick's double to right scored three runs in the fourth. Score: R.H.E.
Brooklyn ..... 0 0 0 0 0 0 0 0 0—0 5 1
Boston ..... 0 1 0 3 1 0 2 0 *—7 9 0

Batteries—Smith and Miller; Rudolph and Gowdy.

At Chicago.—Chicago defeated Pittsburg 4 to 1. The locals bunched hits behind Grimes' wildness and took a lead in the second inning which the visitors could not overcome. Cooper replaced Grimes, and the game resolved itself into a pitching duel between Seaton and Cooper, the former allowing three scattered hits for nine innings, while Cooper was touched for two in six innings. Score: R.H.E.
Pittsburg ..... 0 0 0 0 0 0 0 0 1—1 3 1
Chicago ..... 0 4 0 0 0 0 0 0 *—4 5 0

Batteries—Grimes, Cooper and Fischer; Seaton and Elliott.

At Cincinnati.—Cincinnati-St. Louis game postponed, cold weather.

HUSTLERS, GRAYS AND BEARS ARE WINNERS

At Rochester (International)—Rochester yesterday kept up its habit of scoring a cluster of runs in the first innings, and the three tallies secured off the reel sufficed to beat Richmond, 3 to 1. A pass and three singles brought victory to the home team. Causey was somewhat wild, but performed finely in the pinches. The score: R.H.E.
Rochester ..... 3 0 0 0 0 0 0 0 *—3 4 3
Richmond ..... 0 0 0 0 0 0 1 0 0—1 7 2

Batteries—Causey and Wendell; Lee and Reynolds.

At Montreal—After being knocked from the box on Saturday, Peters came back yesterday and held Montreal to three scattered hits. He would have scored a whitewash had it not been for Zimmerman's home run clout over the short left-field fence in the fourth innings. The score: R.H.E.
Providence .... 0 2 3 0 2 1 1 2 0—12 10 1
Montreal ..... 0 0 0 1 0 0 0 0 0—1 3 4

Batteries—Peters and Allen; Dunning, Springman and Madden.

At Buffalo—Altho Buffalo gained a two-run lead on Newark early in yesterday's contest, owing to Callahan's muff of an easy fly, the Bears overcame this handicap and defeated the Bisons, 4 to 3, in an eleven-innings battle. Both Tyson and Ross were free with passes, but the latter's pitching was far the better of the two. Score: R.H.E.
Buffalo .... 1 0 0 0 0 0 0 0 0 0—3 4 2
Newark ..... 0 0 1 1 0 0 0 1 0 0 1—4 9 2

Batteries—Tyson and Onslow; Ross and Blackwell.

ASSOCIATION WILL GO THRU WITH SCHEDULE

Chicago, May 7.—Altho declining to admit that players in the American Association would be asked to accept reductions in salaries President Hickey, here today, said the situation confronting the club owners would be placed before the players and owners alike.

President Hickey denied that a part of the schedule would be canceled, altho the league has lost $10,000 because of postponements within the last ten days. "If the government imposes a tax on baseball and the war situation cuts down the attendance," he said, "it will be absolutely necessary for us to retrench."

Hickey will visit Kansas City Wednesday, and will call a special meeting later in the week if the club owners request it. Joe Tinker, president and manager of the Columbus Club, is opposed to a reduction in players' salaries or cutting down the player limit from seventeen to fifteen.

WILD MAN TO RICHMOND.

New York, May 7.—The New York American League Club tonight announced the release of Pitcher Jack Enright to the Richmond Club of the International League. Enright was released to the Toronto International League team early in the spring, but was returned by that club last week. The New York Club still hold an option on the player.

TO LOOK AFTER SHAY.

Chicago, May 7.—A fund to defray the expenses of defending Danny Shay, manager of the Milwaukee American Association Club, who is charged with shooting a negro waiter to death in an Indianapolis cafe, was started at a meeting here today of half a dozen managers of clubs of the association. Players, managers and club owners alike subscribed to the fund.

THOMAS DEFEATED BY KNOCKOUT ROUTE

Benny Leonard Put Philadelphia Boxer to Sleep—Badly Battered.

Philadelphia, Pa., May 7.—Benny Leonard, the New York lightweight, knocked out Charlie (Kid) Thomas of Philadelphia, in the last round of their six round bout here tonight. Leonard clearly outclassed the local boxer in every round. Soon after the opening of the final round the New Yorker dropped Thomas to his knees with a right to the jaw and then a series of rights and lefts to the same spot put him down for the count.

At the end of the bout both of Thomas' eyes were nearly closed and his mouth and nose were badly swollen. Leonard weighed 133 pounds and Thomas 136.

GREAT SCOTCH ATHLETES CASUALTIES IN THE WAR

Many of Scotland's greatest athletes have been wounded or killed in the war during the last two months. Captain Daniel G. Campbell, a noted all-round athlete of Edinburgh University, met his death in the British offensive on April 9. Campbell was a crack high jumper, having won the Scottish championship as his specialty for four successive years beginning in 1910. G. B. Henderson, reported as severely wounded, was a member of the King's Own Scottish Borderers and was generally rated as the foremost amateur sprinter in Scotland. Capt. J. Martin, who was killed in action on April 23, was one of the best rugby forwards Scotland ever produced. P. G. Jenkins of the Scottish Highlanders, who was killed on April 9, was an expert golfer. He played in the Irish open championships in 1912 and was runner-up to Gordon Lockhardt, losing the final match by the narrowest of margins.

Captain C. L. Jackson, who fell in action on April 9, was a renowned cricketer, winning many contests for Oxford, which institution he attended during 1913 and 1914. He enlisted at the outbreak of the war, and has been at the front practically ever since.

SLOW TRACK, FEW TRIALS AT WOODBINE

Graphic Showed the Fastest Work—More Horses Arrive.

The track at Woodbine was slow yesterday morning after the recent rain and the work was less than heretofore. Capt. B., Britannia and Oriana galloped thru the stretch. The Nixon Platers McCorburn and Twin Stream went ¾ in 1.23, Tartarean and Garish Sun in 1.22 3-5 and Fair Montague in 1.24 3-5.

Hubbert galloped a mile in 1.52, Amphion and Iron Cross in 1.55. Graphic showed the fastest work of the morning—⅝ in .27 2-5. Bachelor's Blind and Anna Edgar did their ⅝ very handily in .39 and Princess Fay and Miss Play both went halves in 55 seconds. Mausolus, ¾ in 1.24 2-5, and The Masquerader a half in .56.

A car leaves Baltimore next week for Woodbine Park with fifteen horses, including Jack Richardson's eight. He trains for J. Lunsden of Ottawa, and has the Burglar, that won his last seven starts; Between Us, Candle, Vivian S., Lynette and Juana H.

The following are the eleven thoroughbreds in training belonging to the Brookdale Stable that arrived at Woodbine Park yesterday from Barrie.

—Three-year-olds.—
Terrahere, by Red Fox—Terra (plater).
Pax, by Red Fox—Drowsy (plater).
Play Time, by Keiston—Solid Comfort (plater).
Minnetonka, by Red Fox—Minnewaska.
—Two-year-olds.—

The eight head in the Campbell lot also arrived. The King's Platers Dave Campbell and Gay Life are included. The others are Ossary Maid, Dorothy Carlin, Gay Night, Alf. Rogers, Gay Breeze and Gay Greetings.

The meeting of the Maryland Jockey Club, which ended its first week of racing at Pimlico yesterday, is the best ever held in Maryland, according to the stories told by turfmen who have returned to this city after visiting the track for a day or two of sport. The fire, which preceded the opening, had no effect on the racing, and the stables that were burned are being rebuilt so quickly that they will be in use before the meeting ends on May 17. The class of horses is much better than seen at Bowie and Havre de Grace, and the crowds on the lawn and in the betting ring are so dense that it is hard to move with freedom. These reports are taken as an indication that the metropolitan racing season, which will open at Jamaica on May 18, will be the best held in America for at least a decade.

Trainer Hildreth is getting the horses of August Belmont in good trim at Belmont Park, and a sign that he is ready to put the finishing touches on some of the cracks is found in his sending for Jimmy Butwell to ride them in their gallops. Mr. Bultwell will begin his work for the stable this week.

The Seagram horses, comprising seventeen head, arrived at the Woodbine yesterday.

Racing is Resumed Despite Booming of Guns Not Far Away

Paris, May 7.—Chantilly today resumed its position as the chief training centre for thorobred race horses, when races were reinaugurated, without attendance by the public and without betting, with the object of selecting the best products of the various breeding farms for breeding purposes.

The changes thru which Chantilly has passed during the war were noticeable. For the past three years it has been within the war zone, and one of the chief centres of the operations, General Joffre and his staff having had their headquarters there, facing the abandoned race course. The entire locality has been given over to military operations, and the civic population has withdrawn.

The first feature race, which was run today, was won by the American horse, Sandy Hook, owned by F. R. Hitchcock of New York. Baron Rothschild's Pindaro was second.
