Ambitious Sportsmen Wire Rickard-Battle Will Go to New York or London.

New York, Dec. 2.-An offer for a te for the staging of the Dempsey-Carpentier heavyweight champlo fight in Canada was received here today by Promoter Tex Rickard.

The proposition from a syndicate of wealthy Ottawa sportsmen suggested holding the contest at Hull during June. It was stated that \$250,000 was available as a guarantee and Rickard was requested to meet and discuss the matter with a representative of the Canadian syndicate. Rickard said that he wo

Nickard said that he would arrange for a conference in the near future, but that no definite plans had been made for staging the international titular battle at any particular place. Under the contract signed by the promoters and the two pugilists, the bout can be held anywhere in the United States, Canada, Mexico or Cuba, providing the principals are given sufficient notice of the site to arrange for proper training facilities.

It again was intimated today by the chief promoter that in case it was found unadvisable to hold the contest in or near New York City, the match would in all probability be staged in London, where Carpentier is a popular puglistic idol and a great drawing card.

When it was pointed out to Rickard that the existing contract did not cover a ring encounter in Europe, he stated that both Manager Kearns and Champion Dempsey had agreed to sign a new contract, including such a venue, Should the emergency arise it is quite likely that instead of Dempsey receiving \$300.000 and Carpentier \$200,000, the boxers will agree to battle for a percentage of the gate receipts, which are stimated as likely to run into hundreds of thousands of dollars with the fight staged in London.

COULD FIGHT THIRTY ROUNDS IN QUEBEC

Ottawa, Dec. 2.-Tex Rickard is being isked by a syndicate, composed of Hull and Ottawa sportamen, to stage the world's championship heavyweight bout between Dempsey and Carpentier in Hull next June. A telegram has been des-

next June. A telegram has been despatched to the great fight promoter, asking him to afrange for a conference with a representative of the syndicate. More than \$250,000 is at present available as a guarantee of good faith.

In the telegram sent to Rickard, the sportsmen point out that Hull is within an easy journey from important American centres. It is shown that Ottawa and Hull have a population that is as great as Toledo, where the last championship fight was staged, and at the same time is close to New York City. The syndicate declare that Carpentier would draw an additional gate in Hull because of the fact that thousands of French-Canadians would attend the bout in order to see their idol in action against the champion. As far as is known here Rickard has not decided where the fight will be held. The law in Quebec is such as to allow guaranteeing Rickard a 20 or 30-round

LYNCH HANDS THE K. O. TO SHARKEY

New York, Dec. 2.—Joe Lynch knocked out Jack Sharkey in the fifteenth and final round of their bout at the Madison Square Garden tonight. Both are New York bantamweights. tamweights.

The end came after 43 seconds of fighting. Lynch's victory earned him the right to meet Pete Herman of New Orleans, world's bantamweight champion, in a 15-round bout for the title in the same ring on Dec. 22.

Lynch weighed 117 pounds and Sharkey 118.

Herman, it was announced, will sail Dec. 23 for London, where he is matched to meet Jimmy Wilde, the world's flyweight champion, January 14.

the world's flyweight champion, January 14.

Lynch and Sharkey met here ten weeks ago and altho Sharkey scored several knock-downs, the judges' decision was a draw. Tonight Sharkey had the better of the argument up to the sixth round. In the seventh the tide turned in Lynch's favor, and with a hard left hook he floored Sharkey, the latter's knees caving in. Sharkey was up in an instant. Sharkey went thru the ninth and tenth rounds on bull-dog courage. From that round to the end, however, Lynch had all the better of the contest.

At the opening of the fourteenth round, a right to the head sent Sharkey down for a count of nine and Lynch fought his man all over the ring for the remainder of the round.

SOCCER NOTES

Parkdale Rangers F.C. will hold an important business meeting on Monday night at P. Hagerman's, 1024 West Bloor street, at 8 p.m. sharp. It is very important that every player and member should be present, as business pertaining to the future welfare of the club will be discussed.

future welfare of the club will be discussed.

If the weatherman is on his best behavior the Broadview grounds should be taxed to capacity on Saturday, as the two semi-finals in the Brigden Cup are staged there. The first game is timed to start at 1.15 p.m., and this is absolutely necessary owing to the shortness of the afternoons, and the desire on the part of those in charge to give the patrons of this popular ground the usual double-header for the one admission. The first game will bring Willys-Overland and Caledonians together, and this should prove a very close and interesting contest. The Willys team has apparently improved of late, and their victory over Old Country last Saturday should stirthem on to another victory. The Caleys, of course, are an aggregation of young players who must be reckoned with. They have made a very creditable showing for their first year, and it must not be forgotten that it was they who put Willys out of the Robertson Cup, and are determined to again repeat that performance. The second game is certainly the tit-bit of the season, as it brings together the All-Scots combination and the ever popular Ulster United team, and when these teams meet close, exciting football and a bumper crowd is always the result.

When the draws for the first and second round of the Brigden Cup took place.
