

## SUPERINTENDENT'S REPORT.

---

TO THE BOARD OF DIRECTORS OF THE PROTESTANT  
INDUSTRIAL SCHOOL :

*Gentlemen :—*

In submitting my report of another year's work in connection with the several departments under my supervision, I am glad to be able to state that the year has been on the whole, a comparatively successful one. Fourteen boys left the School during the last twelve months, four of whom were committed as truants. The balance are all in good positions. Situations were obtained for some of them on the expiration of their term and good references were given to others whereby they were enabled to obtain situations for themselves. They are at present engaged as follows: One learning Printing, one in Office of Wholesale Druggist, two learning to be Carpenters, one learning Mason Work, one Cutter at Taylor's Shoe Factory, two are in private Hotels, one in Shoe Factory at School, as Superintendent's Assistant, one Boy who met with a painful accident to his left hand in the Shoe Factory is being educated at Whiston's Business College at the expense of the Directors of this Institution, One, Charles Neal, we regret to have to record was drowned at Chocolate Lake while skating the week before Christmas. He was one of our brightest and best and is greatly missed and sincerely mourned at the School.

We began the year with 41 boys on register and the number of inmates at close of Dec., 1893 was 34.

The boys employed in the several departments are as follows: In Shoe Factory, 11 in bottoming and lasting
