

FOWLE'S PILE & HUMOR CURE.

FOR INTERNAL AND EXTERNAL USE.

A SURE AND PERFECT CURE

For all kinds of Piles, Leprosy, Scrofula, Tetters or Ring-Worm, Salt-Rheum and all diseases of the Skin.

Warranted to cure all cases of Piles; all cases of Humors, when used according to Directions upon the Bottle.

This remedy has been faithfully tested, and found to be an almost infallible cure for the above named diseases. Since it was first introduced, the proprietor has received many thousands of testimonials proving its efficacy for the cure of the diseases it is recommended for. Space prevents our giving but a few of them here. The Pile and Humor Cure is entirely vegetable in its composition, and can be used with perfect safety in all cases. There is no danger of its driving the humor in, as it cures on the surface, and the patient's bodily health continually improves while under this treatment.

PILES.

Common cases of Piles, will be cured by from one to four applications only.

ONE BOTTLE of the Pile and Humor Cure is warranted to cure all kinds of Piles, but no Fistula, nor when connected with *Humor* (as many cases of Piles are brought on by Humor, and will be cured with the Humor). In such cases, the patient will require to take two or even more bottles in very bad cases.

TESTIMONIALS.

Mr. E. D. Taylor, of Shelbourne, N. S., writes:

Dear Sir—I have been troubled with Blind and Bleeding Piles for six years, and could not find relief until I took your Pile and Humor Cure, which entirely cured me up at once, so that I have not felt them since. I can recommend it with entire confidence.

Mr. Chas. Cable, Molino, Oswego Co., N. Y., writes Dr. FOWLE as follows:

Dear Sir—I have been troubled with the Bleeding Piles of the worst kind for over sixteen years. Have tried every kind of remedy I heard of, but found nothing that would help me, until a friend, who was cured by your Remedy, advised me to try it. I took it internally, and used as an injection, *only one bottle, and it has wholly cured me* of that terrible and very painful disease, the BLEEDING PILES. For the four months previous to using your Remedy I was unable to work, have suffered much, was obliged to sit up and walk in the house whole nights at a time. But when I commenced to take your medicine, the pains began to leave, and I could sleep as well as ever *I did in my life*, and have had no return of them since; and can safely recommend it to every one.

HUMORS.

Fowle's Pile and Humor Cure will be found an almost never failing cure for Humors, which it drives to the surface. The patient commences by taking twenty drops, morning and evening.

Mr. FOWLE.

NORTH AMHERST, MASS., Jan. 1, 1868.

Dear Sir—From childhood up to the first of August last, I was afflicted with as bad a skin disease as mortal man ever suffered with. I commenced taking your Medicine; and I must say I had not much faith in its doing me much good. I had been suffering so many years, and had tried so many different kinds of medicine, that I was discouraged, and expected the time would never come when I should have a whole skin again, free from Humor; but I am *happily disappointed*. I have taken three and one-half bottles of your remedy, and am as well to-day as I ever was in all my life. My skin is as free from any sores, pimples, or anything of the kind, as any one in this town; and I have every reason to think I shall always remain so. People who saw me for years, all covered with scabs and scales, and see me now entirely free from them, look at me with astonishment, and ask, "What did you take to get rid of them?" I tell them I took "*Fowle's Pile and Humor Cure*." The result of my cure is, that Messrs. Smith & Field, and Messrs. Howard & Brown, of this town have sold a great quantity of it, and it is making great cures in all cases.

Respectfully yours,

GEO. E. ATKINS.

Dear Sir—A short time ago I bought a bottle of your Pile and Humor Cure for my face, which was completely covered with pimples and red blotches, and now my face is well and perfectly smooth.
