

## The Prayer Meeting Committee.

---

Our Prayer Meetings during the past year have been of unusual interest, and we trust they have been of corresponding power in developing the spiritual life of the congregation.

During the vacancy the attendance fell away greatly, but since our pastor's induction the attendance has been encouraging. We have probably the most largely attended mid-week service in the city, and one of the largest in Canada, but we cannot be satisfied, and we are sure our pastor will not be satisfied, until the whole congregation is well represented at this service.

We feel that our pastor should not only be encouraged by knowing that as a congregation we are rallying round him in earnest prayer, but also by receiving ready assistance in whatever way we can render it in these services.

The North End Prayer Meeting has been kept up regularly, and has been well attended. Efficient and willing help has been rendered here, not only by many of our laymen, but especially by Rev. A. Stewart, and Rev. Jas. McEwen, now members of our congregation.

We feel that no work in the congregation is more important than the interests of which we have been privileged as a Committee to watch ; if we desire the
