

LOCAL NEWS

Policeman Peter Winter has resigned from the local police force. Ex-Inspector Wickham is now a member of the staff of the Phoenix Foundry, engaged in making shells.

A reception by the citizens of St. John will be tendered the officers of the 22nd Battalion this evening in Bond's restaurant.

There was a meeting in the Y. M. C. A. rooms last evening of the advisory committee of St. John and arrangements were made for supper speeches at the Y. M. C. A., beginning November 18. Plans in connection with the boys' work scheme will be discussed.

Little outside of routine matters were discussed at a meeting of the Boys' Industrial Home held yesterday afternoon. There was some difficulty in securing members for the staff, but it was not a serious problem. There are thirty-four boys in the school. Mayor Hayes presided.

Ontario full patent flour has again advanced another twenty cents and is now wholesaling at the record price of \$10.25 a barrel. This is the highest price ever demanded for Ontario flour in this city.

"The War Lords of the Day," was the subject discussed at the first meeting of the season, held by the Young Peoples' Association of St. David's church last evening. Miss Helen Jack led in the discussion.

Commissioner Fisher has objected to a new track at the foot of Charlotte street on the eastern side of the present railway tracks. The board of trade president and the lumber merchants visited the ground yesterday and agreed with the commissioner's suggestion for a spur on the western side.

The substantial sum of \$40 was added to the Belgian Relief Fund last night when a most successful concert, pie social and dance was held at Somerville. Miss Hattie Puddington was the convener and those assisting were Joseph Sleet, Ethel Hughes, Miss Eva Spencer, Thomas Barlow, Jean Hughes, Stanley Irvine, Leonard Miller, W. Spencer, Miss Mabel Miller and William Hughes.

INSTEAD OF PAINT

Don't paint your pretty home this season but use liquid Velvee Creosote Shingle Stains. By so doing, you can bring out all the beauty of the wood. And think of the preservative value. Velvee Shingle Stains contain Creosote, the greatest wood preservative known. This means prolonged protection against wind and weather. It therefore means economy.

Velvee

Creosote Shingle Stains
Half the Cost — Twice the Wear
Velvee Creosote Shingle Stains cost about half as much as paint. And they wear much better because they penetrate the wood. They do not evaporate or dry out and are easily applied. You ought to investigate them. We have the complete line and we know you will like them. Write for a sample of wood stained with Velvee Creosote Shingle Stain.

A Message to Mothers who are Weak, Anaemic, Nervous, Run Down

ONLY a mother knows how hard, sometimes, is the burden she has to bear. Day by day, patiently and cheerfully, she shoulders the manifold responsibilities of the home—often neglecting herself in the effort to care for the welfare of others. And although she hides her own cares and anxieties behind a smiling face, there comes a time when her health gets undermined, her vitality diminishes, her mental face becomes careworn—she feels she cannot go on any longer. It is cases like this that Wincarnis excels such a wonderful effect. Wincarnis promotes new strength, new blood, new nerve force and new vitality. Because Wincarnis is a tonic, a restorative and a blood builder and a nerve food, that is why over 10,000 doctors recommend Wincarnis. Mothers! Don't let your daily burden ruin your health. Don't let your anxieties spoil your looks. Don't suffer needlessly. Wincarnis can give you the new health you need. The ingredients of Wincarnis have been recommended by the medical profession.
