

CAMPAIGN FOR MEMBERS SOON BY RED CROSS

Drive to be Held October 4 to 9—Extension Urged

At the quarterly meeting of the New Brunswick division of the Red Cross, held yesterday, it was decided to hold a province-wide membership campaign October 4 to 9, but any branch wishing to hold one in advance of that date was given the privilege. It was decided that all membership fees would be sent direct to the provincial office and local branches would finance their operations in some other way.

SUMMER HEAT HARD ON BABY

No season of the year is so dangerous to the life of little ones as is the summer. The excessive heat throws the little stomach out of order so quickly that unless prompt aid is at hand, the baby may be beyond all human help before the mother realizes he is ill. Summer is the season when diarrhoea, cholera, infantum, dysentery and colic are most prevalent. Any of these troubles may prove deadly if not promptly treated. During the summer the mother's best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

observe Armistice Day and have a roll call of the members. The obligation of the provincial division to be self-supporting was dealt with by Mrs. L. Foster and Mrs. I. P. Longley spoke on the extension of Red Cross endeavor, dealing especially with the equipping of outpost hospitals.

Pending the adoption of a new draft of constitution it was agreed that the whole membership fee must be sent in to the provincial office, local branches seeking other means of financing their work and the provincial division, undertaking to return to branches requiring assistance any sum in excess of the provincial office minimum needs for operation.

14 NEW NURSING CLASSES
The home nursing report given by Miss S. A. Barrington who, with Miss Jessie I. Lawson, had just completed a provincial tour of 728 miles, told of 14 classes organized since the June meeting, pointed out the great need for this work and the eagerness of the people to receive its benefits.

59 ARTICLES GIVEN OUT
The relief report showed 59 articles had been given out, 25 to Sussex, 20 to Riverview and 14 to Saint John. The hospital committee report was given by Mrs. Leonard Tilley and referred to the comforts supplied soldiers in hospitals. Outings were given soldier patients at Rothsay and Riverview and they were entertained at the Saint John exhibition. The hospital committee had organized a volunteer motor corps for drives for the soldiers, 28 automobiles being listed. Red Cross pennants were placed on the cars when they were being used for the Red Cross. Mrs. Tilley appealed for gifts of

KING ATTACKS PREMIER AND MR. STEVENS

Says Minister of Customs Promoted Oil Firm on Commons Paper

Canadian Press
NAPANEE, Ont., Sept. 11.—The Prime Minister and the Minister of Customs were both sharply attacked by MacKenzie King here last night. Mr. Meighen for his recent reference to the late Hon. George Bolvin and Hon. H. H. Stevens for his use of House of Commons stationery in connection with the sale of oil company stock.

"I say that Mr. Meighen does not represent the Conservative Party; I say Conservatives all over the country are shuddering at the things he is saying," said Mr. King. The premier's reference to Mr. Bolvin were "the saddest incident in the history of the present campaign. He waited until the last week of the campaign to slander a man now dead," said Mr. King. "It is only fair to say that he sees his chances vanishing and that he does things today which he would never do in his own sober mind."

ad demands something more from its public men." The Liberal leader then turned to "this Mr. Stevens who has been making charges." Mr. Stevens had written on Commons note paper, a certificate for a "speculative oil concern."

LOST ALLIGATOR IS LEGAL PROBLEM

PATERSON, N. J., Sept. 11.—Archie the three-foot alligator caught in the Passaic River on last Saturday by Charles Sisko, after it had enjoyed a three-weeks vacation from its pen in

West Side Park, has become a legal problem to the city because of Sisko's refusal to return it to the Park Commission.

Sisko faced the danger of a ninety-foot drop from the Passaic Falls in capturing the alligator. He believes he should receive a reward of \$50. Since none of the city officials agree with him, he now has Archie in his cellar and says the animal will stay there until the money is paid.

The Park Commission is anxious to recover the alligator, but cannot pay Sisko a reward. It sent Detective Sergeant William H. Lord after the alligator, but Lord could not persuade Sisko to give Archie up.

GIVEN SHOWER.
About 35 friends of Miss Eva Stevens of Fairville, gathered at the home of Mr. and Mrs. Viggo Pedersen, Brookville, on last Friday evening and tendered Miss Stevens a linen shower in

honor of her approaching marriage which had been set for September 18 but which has been postponed until later in the month on account of serious illness in the family of the prospective bridegroom. After a corn-bol and supper on the beach, a basket of beautiful and useful gifts was presented to the bride-to-be, after which dancing and music were enjoyed at the home of Mr. and Mrs. Pedersen.

I have seen wonderful healings take place in the name of JESUS CHRIST. Recently a dear one was ordered to the hospital to be operated on for appendicitis. I anointed this one and prayed for healing in the name of JESUS CHRIST. On arriving at the hospital the doctors could find no cause to operate. Why? JESUS CHRIST had healed this dear one. I am sure the doctors love to see people healed rather than operate. YES! Cancers and Tumors disappear in the name of JESUS CHRIST. Come, dear people, no matter what your sickness is JESUS can heal you.

Too Late

IN the bright heyday of youth, who could tell him of the storms that lay ahead? Later, when he had the full strength of manhood, who could hint to him of weakness or ill-health?

The need for Life Insurance protection always seemed dim and remote—and because of this the day of decision was deferred.

And then came the day when he tried to get Life Insurance, but the attempt merely brought a more grim realization of his need. His health was not what it had been.

Too late!

Avert this tragedy from your life! Obtain the security of Life Insurance while you may. Now, while you are strong and well, the protection of Life Insurance is obtainable, and the yearly outlay will be less than in the future. Decide today, and see a Life Insurance representative before you, also, are too late.
