"A Kiss For Cinderella' With Betty Bronson In Lead

The imaginative whimsy of James M. Barrie, the directorial artistry of

Herbert Brenon and the piquant per-sonality of Betty Bronson—the three factors that were chiefly responsible for the spectacular success of "Peter Pan"—combine to make "A Kiss for Cinderella" one of the screen's notable achievements, which opened to big houses at the Imperial last evening.
Unlike "Peter Pan," however, "A Kiss for Cinderella" is not entirely pure fancy. It is, as a matter of fact, a vivid, appealing, modern-day romance, laid against the very realistic back-ground of the London slums, with a lovable little heroine in the person of a lonely, half-starved waif, and a sympathetic policeman as the hero.

The story of this little Cinderella she will be invited to a marvelous ball where a handsome Prince will pick her out as his Princess, is one that only Barrie could have written—altogether delightful, filled with tears and laughs and heart-tugs, and enlivened by all those whimsical touches that are part and parcel of every Barrie tale.

And only Herbert Brenon, dreamer realist and craftsman that he is, could

terms of poignant, human drama and inimitable comedy without destroying its essential fantasy.

Betty Bronson, who showed in "Peter Pan" that she possesses that wistful, elusive quality so necessary for the successful portrayal of a Barrie heroing, gives as finished and compelling a performance as any yet seen on the screen. She lives the role of Cinderella, therelifting the character out of the

Blanche Sweet and Other Prominent Players of Screen Are in Cast

She was a wealthy girl, and thought men wanted her solely for her money. But she found one man who wouldn't propose to her because of it—and so she married him. That's one of the many situations in "The Sporting Venus," which opened last night at the Palace Theatre for an engagement of two days.

of two days.

In the cast are many favorites. Blanche Sweet plays a role with a great deal of comedy. Ronald Colman is her handsome lover, and Lew Cody is an impoverished count, who must marry money to keep out of jail. Jose-phine Crowell is a kittenish old dowsger whom Cody finally marries. Arthur Hoyt is a "Scotland Yard" detective,

Thrills, love interest, pathos, suspense, unusual dramatic situations, beautiful settings, real comedy and an excellent cast, all these are found in First National's latest omtion picture,
