BASEBALL

A Thrilling Game.
A running catch by Sterling in the sixth, which brought the fans to their feet, cheering madly, saved the day for the St. Johns in a seven-inning game last night in which they won out 6 to 4.

Both teams had one bad inning. In the first St. Peter's scored three runs and in the last half of the second the St. Johns garnered six. McGowan got a life on what looked like a third strike and immediately followed by a clean hit, which started the scoring. At this time two men were out, but before the third was retired five runs were scored. A couple of misplays were responsible for three of these runs. With the bases filled in the sixth, Gibbons drove a liner to deep left and it looked good for at least a double when Stirling threw himself into the air and speared the ball, retreating the side. The box score and summary follows:

ROYALS SWAMP THE ST. DAVID'S

The Royals swamped the St. David's in a league game last night on the South End diamond. The Royals played snappy ball and clouted the ball hard, while St. David's fielding was rather loose and they failed to solve Diggs' delivery. The fielding of Price and Diggs' pitching and batting featured the Royals. Strain played well at second for St. David's and Sterling in centre field made two hard catches. There was a good attendance.

The box score follows:

CITY LEAGUE MAY SECURE NEW TEAM
The St. George's and Commercial will meet tonight on the East End grounds in a regular City League game. Owing to the dropping out of Wolves and the amateur ranks the league is reduced to two teams, but a strong effort is being made by the officials to secure a third team to take the place of the Wolves and it is expected that these efforts will be crowned with success. If the present arrangements are completed

a new team will enter senior company a warm weather hitter. "Hack" Miller, coast league slugger last year and now a member of the Chicago Nationals, claims to be one. During a faning he in Chicago, the Cubs' strong man said: "If Manager Killifer gives me a chance when the weather gets hot, I'll show the fans that I can hit."
Because of his weak hitting during the early part of the season, the Cub outfielder has been out of the game for some time, but when the warm weather set in he got his chance. He started last Friday against the Giants. In his last sixteen times at bat he has poked out ten hits, including three doubles.

MIXED BATHING AT SEA.
(Montreal Gazette.)
Wireless reports have it that bathing parties in mid-ocean have been a novelty of the second voyage of the White Star liner Majestic, the world's largest ship, which arrives at New York today. The bathers did not disport themselves in the sea while the ship waited for them, but were carried along at a speed of about twenty-five knots an hour as they swam—for the bathing was done in the ship's big Pompeian swimming bath.
