Special sale of men's working shirts today and night.—Corbet's, 194 Union street.

As a result of the recent storms raging along the New England coast there will be no trip of the steamer Governor Dingley from this port to Boston this evening. In an announcement made by A. C. Currie, agent of the line, he said that he had received a wire by Boston to the effect that the Dingley had been unable to leave that port on her scheduled trip to St. John owing to the recent weather conditions prevailing and therefore the sailing from this port had to be cancelled.

SCENERY PAINTED HERE.

In addition to the Grumpy company inaugurating its Canadian tour in St. John, part of its scenery was painted here, an incident which shows that this city is at the head of some things in the theatrical line. When the scenery arrived here from New York on Monday morning it was found that it had been damaged by rain. F. W. Stringer, the scenic artist, who like the Grumpy players, is an Englishman, painted two complete sets of scenery in time for the Monday evening performance. The feat is considered a remarkable one, as the old work had to be painted out and much original artistic work had to be done. teed.
