Canada Permanent Building and Savings Society,

TORONTO, 20th February, 1868.

NOTICE TO SHAREHOLDERS.

I beg to remind the Society's Stockholders, that the Society is prepared to make Advances *to them upon the security of their Stock, for any term from one month upwards, without charge for preparation of papers.*

Having found that many of the Stockholders are not aware of the facility for readily obtaining money which the above arrangement affords, and have in consequence been induced to sell their Shares tomeet temporary requirements, it is thought that this reminder will in many cases be acceptable.

The terms upon which loans for short terms may be obtained, vary, to some extent, according to the state of the funds, but may at any time be ascertained by applying the undersigned.

J. HERBERT MASON,

Secretary and Treasurer.
