Club Event Complete List of Officials

All arrangements have now been completed for the Shawnigan Lake Athletic Club's annual regatta to be held at Shawnigan lake just off Koenig's station on August 5, and those in charge are satisfied that they have provided everything to make towards a pleasurable day both for the athletes competing and the visitors. A special Persian Government Offers Retrain leaves Victoria at 1 o'clock and returns after the dance. Tickets, which are being sold at a very reasonable rate, may be secured from Harry Skuce, secretary of the J. B. A. A.

The prizes, which will be on view in Fletcher's window, Government street, t on Monday, and the officials, follow: Officials.

General committee-Chairman, F. T. Elford; vice-chairman, S. J. Heald; sec.-treasurer, E. W. Blake, Shawnigan Lake; secretary, H. Skuce, J. B. A. A.; W. H. Cullin, A. Peden, R. D. Finlay-V. K. Success Attends Work of the Salvation Army Near Hazelton

Prince Rupert, July 29.-Ten years ago Adjutant Smith, of the Salvation have been put to work by the fe Army, commissioned Ensign Thorquison, at the urgent request of the Kispiox Indians, to go out amongst 100 .25 Thorquison established what is now the Glen Vowel Indian colony. miles beyond Hazelton. This colony, ties this year, and it already h under the guidance of the Salvation sulted in a state-wide enforcem Army, is one of the most thriving of the law enacted by the California the Indian settlements of northern Bri- islature in 1909, making it tish Columbia.

The colony numbers about 100. Each Indian family has a separate house 45 and garden or small farm, which is cultivated to the fullest extent and fort to prevent the communica

presents the most prosperous appearestablished a sawmili, operated by and it was thought, until the In addition the Salvation Army has water power, with a capacity of 5,000 rence of the Flood case, feet per day. It is manned entirely by the Indians, and during Capt, Kerr's 7.10 recent visit there was turning out 1.80 about 3.000 feet of dressed lumber per 7.10 day. The profits of the mill's operation go to the Indians after a small deduction is made to pay for the cost of laying down the plant. About 200 acres are cleared and cultivated, and the whole colony maintain themselves with the aid of produce raised, the mill proceeds and other sources of revenue in prosperous circumstances. Recently a plough was introduced

and the whole village turned out to see 1.65 it in operation, and each man wanted 1.75 his garden ploughed in the same man-7.00 ner. Excellent social conditions obtain. Small fruits and vegetable of all 1.75 kinds are grown in profusion. Cows 1.75 and poultry are being introduced this year, and generally the whole plan is Sacramento, Cal., July 31.—The to educate the Indian in the white case of yellow fever which has man's mode of life and teach him his to the attention of the authorities manner of subsistence, and marked the early fifties occurred in Pasa 42.00 success has so far attended the effort. Balfour are committing in aiding the government in carrying the hated Moran Company, ship builders. neasure, but as Lord Lansdowne has with his wife and a party of fr the support of some 350 members of wer in an automobile Taro was pa the House of Lords, he is not likely to when the crime was committed, so be greatly disturbed by this.

4.50 crisis is no longer acute.

2.50 PRESS VIEWS ON RECIPROCITY. London, July 29 .- The Spectator, on held up. the question of reciprocity, says: "It is The shooting followed immediate .11 the fashion for many tariff reformers and Taro's assailant escaped as the 20 here to speak as though reciprocity dead man drove his automobile into approaching car. were a new idea in Canada, adopted only because of the blindness of British .160 .21 statesmen in withholding benefits which ON Canada would more willingly accept .12 from the Mother Country. The truth is that for more than half a century reciprocity with the United States has never been absent from the minds of Canadian statesmen. When Sir Wilfrid Laurier adopted the imperial preference 2.00 in 1897 it was only because he had 6.50 failed to extract the terms then de-1.25 manded. There is evidence that Canda would have struck a bargain had 2.00 the United States at any time offered .03 any great practical consideration. It i he advantage of the Mother to the advantage of the Mother to make the Dominions feel poorer. If by any advices from Britain 2.50 Canada is restrained from making the agreement with the United States large mass of Canadian opinion would is stated that Sir Wilfrid Laurier wel done toward enlarging the present zette affirms that, while the naval ar- comes the opportunity of reviving the

at once resent national interference. It The Manchester Guardian says that reciprocity prospects in Canada are new good. Though a clear appeal to the country might have to be made. It could hardly come at a more opportune time, for the Liberals have nothing to fear, because reciprocity would be the main issue. There is good ground for belief that the ratification

HOTEL FIRE AT ENDERBY.

Enderby, July 29 .- The King Edward tel here was damaged to the extent about \$5,000 by fire. The fire was confined to the upper floor.

### BOY SUCCUMBS TO BUBONIC PLAG

Sacramento, Cal., July 31.-Dr. W now, secretary of the state boar health, has received a report of a of bubonic plague at Contra Costa victim was Horace Flood, aged years, who died on July 26. supposed to have become infected bites and scratches of a gr squirrel. This is the first case of man infection that has been rep-

in the last year. Authorities Active. San Francisco, Cal., July 31.-Fo ing the death of Horace Flood o bonic plague in Contra Costa, 185 authorities in San Francisco and surrounding bay counties, waging against ground squirels and rats carry the plague germ.

The Contra Costa case is the reported to the state health an demeanor for anyone to harbor squirrels. The squirrels are poisoned and trapped by the employees, who are making ev the recrudescent plague germ rats of the city. During the the rats have been freed of the danger from infection by the so had ceased. The federal health aut ties were not summoned to attend Flood boy until two days befor death, when it was too late to him. Dr. Rupert Blue, past assis surgeon of the United States ma hospital here, attended him. "There is absolutely no doubt the boy died of bubonic plague,"

Dr. Blue. "The complete tests have yet been made, but enough was mined to decide the case finally." Dr. Blue had not been inform the case of Joseph Bergman, who t Pasadena of yellow fever. "Bergman must have comuth of Manzanillo," said Dr. Bl am satisfied there is no vellow in Mexico north of that port.

Dies From Yellow Fever. from Mexico, where he has extens nining interests, and died from

disease at his home. Formal report of the case has eceived at the state board of at the capital, and also the anno nent that the government had order he remains exhumed for the purp f determining whether or not the c vas properly diagnosed.
