is a constant menace to society, also their resentful and ferocious distorts the life and property of the individual. He is a tremendous burden upon the resources of the State financially and ethically. He is an abiding heart-tonics and training. It is a grievous of the most hopeful ones, to my mind, turn not but drift on the provisions hereof shall not apply to the sales of jobbers doing an interstate business with customers outside the state."

The law is definite and far-reaching.

woven with all that goes to make our complex social fabric. He is not an isolated but an associated factor. He is something more than a relic from past ages. He is not a mere reversion

The criminal is still a man, something more than a curious anatomical of need by giving the man an opportulation of need by giving the man an opportunity of need by giving the man an specimen of humanity that some would tunity to rise on the causeway of re-have us believe. Whatever he may have done he is part of that corporate We realize that in making substantial life in which we all live and have our progress in human affairs we must being. I do not believe the criminal act being. I do not believe the criminal act to be a strange deed of a remote and non-human order of being, nor the outcome of satanic promptings, but a part of the conduct of one who is linked in a thousand and one ways with his fellows. The act is anti-social, anarchic, and distinctive, but to understand the actor we must revert to his social conditions and human relations. So like is and brighten the skies of time.

A man is not to be helped because being avoid the gloomy pathway of pessim-intolerance, uncharity and ignorance in the one hand, and the crude, untried projects of visionary enthus siasts on the other, and with an abidian sing faith in God and a steadfast confidence in man, do with humility, patterns and distinctive, but to understand the actor we must revert to his social conditions and human relations. So like-intolerance, uncharity and ignorance in the one hand, and the crude, untried projects of visionary enthus siasts on the other, and with an abidian in God and a steadfast confidence in man, do with humility, patterns and distinctive, but to understand the dence in man, do with humility, patterns and distinctive, but to understand the dence in man, do with humility, patterns and the little lowa town across the bridge, make lots of money of which they claim all kinds of prices for Tim Flood, the Toronto baseball player. Aylesworth talked over the matter with the deputation, but promise and the crude, untried projects of visionary enthus classified and the conductors on the inter-city in the inter-city of Nebraska and the little lowa town across the bridge, make lots of money of which they claim all kinds of prices for Tim Flood, the Toronto baseball player. Aylesworth talked over the matter with the deputation, but promise and the conductors on the inter-city in the inter-city of Nebraska and the little lowa town across the bridge, was carrying supplies of cigarettes for Tim Flood, the Toronto baseball player. Aylesworth talked over the metropolis of Nebraska and the conductors on the inter-city

not socialized, and an ethical possibility not realized. We must set the criminator realized. not realized. We must set the criminal in the frame of a general history, illuminate it by a knowledge and philosophy of human nature, and a psychology that takes account of all the facts and goes far enough beyond nerves and gray matter to reach the real man with a will, a hope, and a conscience.

A man who is determined to be of practical help in the rescue of discharged prisoners must practice the perseverance of the saints, and at the same time he will see a great deal to convince him of the persistency of devils. Experience is not a motive nower it is a regulating power, and washington on September 1st.

ache to every one with a feeling of pity or an inspiration for the nobility and progress of humanity.

The criminal is not an isolated fiber but a condition of life closely inter-
