Gues at the Whereabouts of the Vladivostock Fleet-Operations in Manchuria.

- 2

Paris, March 20.—According to the Tokio correspondent of the Petit Pari-sien, official information has been re-ceived of the destruction of the Russian in accordance with Russian plans, the torpedo boat destroyer Skorr at Port Arthur by the explosion of a submarine change in the situation. No official telemine. The correspondent says the grams announcing collisions with the Mikado yesterday bade adieu to 495 of-

ficers who are leaving for the front. A special dispatch from St. Petersburg stantiate the reported capture of 1,800 says the project is favored of conveying Japanese near the Yalu river. It is as heavy war material by transport from sumed that they would have reported Cronstadt to the mouth of the Yenesei river and thence by barge to the Irkutsk way free for the conveyance of troops.

The Figaro's correspondent in Berlin of his departure that it was Japan's telegraphs that a German officer, who ambition to drive the Russians across the has just arrived there from Manchu- Amur, restore Manchuria to China and ria, says serious operations in the Far Bast will not be begun before the end of June. The principal obstacle to Rus-sian victory, according to this officer is the fact that 40,000 Chinese troops, well equipped with German and Japanese in-structors, are menacing Russia's line of communication. Russia, with the sup-port of Germany, will protest against the Chinese troops ria, says serious operations in the Far annex Korea. The Vladivostock editors concentration of the Chinese troops. being received.

The Russian Fleet.

St. Petersburg, March 19 .- The text of a staff order published at Harbin, Manchuria, has just been received in St. Petersburg. It says Viceroy Alexieff defines and limits the military operations in Manchuria, as follows: The line of the ron, consisting of the cruisers Hai Chi, Hi Ying, He Tsin and Haf Shew, under Mongolian frontier to the interior section of the Liao river, thence to Sin Min Tung, thence southwest along the railroad to Koupang Tse; thence southeast along the railroad to Ying Kow.

is cleared from that port. The whereabouts of the Vladivostock squadron is a profound official secret, but there are those here who believe that the Japanese may wake up some morning to Rumor of Alliance Between Japan find that the two divisions of Russia's Pacific squadron have effected a juncture. It is betraying no confidence to state that both the admiralty and Vice-Vremya publishes prominently a Paris dispatch declaring that it is believed Admiral Makaroff, before he left for the Far East, regarded as most unfortunate there a triple alliance between Japan, Russia's chances of success at sea China and Korea has been formed, and that the war found the divisions of the that it was the real object of squadron separated. Realizing that of- Marquis Ito's visit to Seoul. fensive naval operations are impossible inder present conditions, it is believed that no opportunity will be neglected to repair this initial misfortune, even should The Oslabya and Three Torpedo Boats it involve considerable risk. Consequent ly the report that seven Russian warships were sighted the other day off Gen san created much speculation here as to whether they could be the vessels of the cruiser division under Captain Reitzenstein. The number of ships sighted apparently does not tally with that of Cap- 11.30 this morning for an unknown desti-

THE ARMENIANS STRATEGIC VALUE Powers Will. Protest Against Policy of the Sultan. **OF THE PACIFIC** Paris, March 19 .- It is the expectation in official quarters that France and the other signatories of the Berlin treaty will unite in emphatic representa ions to Turkey against carrying out the SIGNIFICANT LECTURE Sultan's plans for the suppression, and probable extermination, of a consider-ON A TIMELY THEME able portion of the Armenians. The Sultan's activity is not directed against the Armenians as a whole, but against those of the Sassun district, who are turbulent mountainous people. Turkey claims that the Arennian mountaineers The Unique Position and Importance of go across the border into Russia, where British Columbia Emphasized by Lord Roberts.

hey arm and equip themcelves, and return to commit depredations against the Turkish soldiers. Therefore, it is the view of the Sultan that stern measures re necessary to repress these agitators The authorities here are satisfied, from heir own report, that Turkey's fears of London, March 19 .- Dr. T. Maguire, lecturing at the Royal United Service the Armenian agitators are magnified and largely unwarranted. They do not share the belief in many of the recent statements of Turkish atrocities, but

the authorities here have good reason to believe that such atrocities may begin in earnest in the course of another month, when the Sultan will begin the real work of repression. It is, therefore, expected that the powers will act through their embassies at Constanti-nople, either jointly or on common lines, with the view of preventing the execution of any widespread bloodshed or the extermination of the Armenians.

THE FRENCH MINISTRY.

It Is Gradually Crumbling Away-Combes May Shortly Retire.

Paris, March 19 .- The situation Premier Combes's ministry is gradually becoming precarious, as a result of its recent parliamentary reverses. It is not considered that any immediate crisis will occur, but even the best informed government quarters describe the ministry as gradually crumbling away. Some of the recent majorities have been below the traditional which is the limit of safety. The gradual sapping of M. Combes's strength is not due to the pending law suppressing all forms of congregational teaching, as his majorities have been steadily maintained on that question, but the difficulty is mainly due Socialist measures for workingmen's pensions and employment agencies. It is believed he will be able to pass the aw of congregations about Easter, and with this principal work accomplished, it is not expected he will wish to remain
