Yellow Fever Incident in New Orleans—A Stricken Family.

A few weeks ago, one night, in an unpretentious cottage on Customhouse street, there lay dying a child sick of this dreadful malady. Ministering to its last wants was all that the unhappy parents could do, for the child was doomed, and in the small hours of morning the spirit of

rangements for the burial of his child. He went to the armoir, where the last of dermany says:—
Take it all in all, there are few pasts of his money, an dollars, and a few jewels were deposited. After searching high and low for same time he realized the fact that he had been robbed.

He immediately told the police his pite-ous tale, and they encouraged him by pro-mising to look for the chief. They found sufficient evidence to warrant the arrest of a negress who was seen prowling about the house. The father was called from the almost infinite springs which bubble up in this land of streams and fountains. The manners and customs of the German middle classes may be charved much better at places like these than at more miscellaneous places like Baden and Hamming the stream of the the court room to attend to the wants of his wife. The death of his child, the sudden illness of his wife and the loss of all that remained of his money so worked upon his nervous system that he also was claimed as a fit subject for the fever. She wields the implements of the dinner
