BANGOR TODAY AT 3.15 O'CLOCK

Although Bangor lost the game to the Marathons yesterday afternoon they played a good article of baseball and will strive hard to defeat the Greeks this afternoon when the game will start at 3.15 o'clock. The Bangor team was rather crippled yesterday not having their pitcher, Manager Connaughton, on the team but he will be at his old place on the second sack this afternoon and the visitors will strive hard to defeat the locals. The Marathons management are taking no chances of losing a game but will have their strongest line-up on the diamond and Charles will be the pitcher. These teams played an excellent article of ball yesterday with the exception of a couple of errors but the game this afternoon promises to be even more exciting.

CHICAGO TEAM FINED YESTERDAY

Cincinnati, Aug. 18.—The Chicago National League Club was today fined five hundred dollars by the National Baseball Commission for farming players to Louisville, of the American Association, while William Grayson, Jr. former president of the Louisville Club, is debarred from connection with any national agreement club until he has been reinstated by the commission. The decision handed down today says: "Grayson submitted a claim for \$2,000 against the Chicago National League Club, predicated on a signed agreement by its president to pay the former that sum if player Cheney were retained by the Chicago club after May 1st, 1912. This side agreement was dated August 17, 1911, under which date a regular agreement between the Louisville club and the Chicago club was filed with the commission setting forth the release of players Lennox and Cheney by Louisville to Chicago for a consideration of \$3,500 in cash and the services of two players in the spring of 1912 before May 1st of that year. This agreement was approved and promulgated. The side agreement was never submitted to the commission.

"President Murphy admitted in his defense that he was a stockholder in the Louisville club in 1910, 1911 and 1912 and filed a counter claim against Mr. Grayson for his share of that club's profits for these years and on other grounds. "Both parties submitted copies of correspondence between them that proves that both have been guilty of farming and have repeatedly and liberally received the commission by the practice of releasing players under pretexts and offsetting by the stipulated consideration by exchanging checks and have also through collusion, disregard of rules and regulations. For these reasons the commission declines to consider the claim and counter claim of these parties.

"The commission cannot condone offenses, however, and a fine of five hundred dollars is therefore imposed on the Chicago National League Club. "As Mr. Grayson is not amenable to baseball law he is hereby debarred from connection with a national agreement club or league until he has been pronounced in good standing by the commission."

GREEKS WIN FROM BANGOR; ST. CROIX LOST AT CAPITAL

MARATHONS, 4; BANGOR, 3. After a hard fight the Marathons managed to land a victory from the fast Bangor team on the North End grounds yesterday afternoon with the score four to three. Donovan, a new pitcher imported from Boston and who arrived in the city yesterday morning, was on the mound for the local team and made a good showing, keeping the Bangors down to seven hits. He struck out three men and did not present one with a base on balls. He also managed to hit two singles and made one of the four runs gathered in by his team. Another new player for the Marathons is Lee who played in center field and he also made a good play, taking four chances hit out to his garden and one of these fly balls was a most difficult one, being hit nearly to the fence. The two men gave a general satisfaction and will work here in the game today.

Frederickton, N. B., Aug. 18.—The Pets made it nine straight victories by winning from St. Croix by a score of 13 to 4 this afternoon. Ed Phelan got another chance to pitch but whenever he got the ball over the plate he couldn't get anything on it and in the second inning, with the bases full, and nobody out he was taken out by Capt. Ganley, and Dave Morey took his place. Parker got a slashing double and thereby cleared the bases, and afterwards scored himself before Morey got fairly warmed up, thus putting St. Croix in the lead. After that evening, however, one scratch hit was all the borderies garnered off the former Dartmouth star and he fanned 10 batters.

By solid hitting Frederick kept on getting a run occasionally, and had another big eighth inning when six tallies came across. Billy Lynch in the jured his leg again in batting in the city yesterday morning, was on the mound for the local team and made a good showing, keeping the Bangors down to seven hits. He struck out three men and did not present one with a base on balls. He also managed to hit two singles and made one of the four runs gathered in by his team. Another new player for the Marathons is Lee who played in center field and he also made a good play, taking four chances hit out to his garden and one of these fly balls was a most difficult one, being hit nearly to the fence. The two men gave a general satisfaction and will work here in the game today.

In the first inning the Marathons gathered in their first run. With a throw to first field, Cooney who slipped, hit a single to center, Pease flied out and Ben hit to short and forced Shankley at second. In the second inning the Marathons got another man across the plate. Wallace drew a base on balls and was boosted away by the pitcher when he was fielding the ball and the runner reached first safely. Wakefield threw badly in trying to catch Waterhouse off first with the result that the little shortstop romped to third, Riley hit a sacrifice fly to center and Waterhouse scored. Lee drew a base on balls and was thrown out trying to steal second. Donovan struck out. There was no more run getting until the sixth inning when Bangor obtained their three runs and went in the lead. Wallace flied out to second, Reed singled to left, Cooney hit to Waterhouse to the pitcher who threw a good but Waterhouse appeared to be over-anxious to make a double play, which looked very possible, for he dropped the ball and the two runners were safe and they scored when Bangor hit to left field for two bases. Matthews followed with a two base hit to left which scored Boardman. The next two batters went out to the infield.

With two down in the seventh the Greeks tied the score. Donovan singled to left and went to second on a bad throw of Hart from the field to second base. Donovan then stole third when O'Brien drew a base on balls. Pinkerton hit to right for a base and Donovan scored while O'Brien reached third, O'Brien, however, got too far off third and was put out. Both teams were retired in order in the eighth, and in the ninth Hart and Tewhey struck out and Dutton went out second to first for Bangor. It was in this inning when the fans expected to see an extra inning game that it was brought to a sudden finish. With one out Riley hit to Tewhey who threw badly to first and the batter was safe. Riley then stole second. Lee to bat hit to Boardman who threw wild to first with the result that Riley crossed the plate with the winning run.

A feature of the game was a one hand catch by O'Brien in the seventh which retired the side, and the batter was safe. The following is the box score and summary of the game: Marathons. AB R B H P O A E

NATIONAL LAWN TENNIS ASSOCIATION

Newport, R. I., Aug. 18.—Playing through to form the real contenders for titular honors in the thirty-third annual championship singles tournament of the United States National Lawn Tennis Association, came through the initial day today without upset or delay. Maurice E. McLoughlin, present holder of the championship, led the California contingent, every member of which scored victories in the first or second rounds. The eastern division, including Clothier, Touchard, Williams, Voshell, Dabney and Wallace Johnson, were equally successful. The pairings failed to produce any star matches.

A heavy shower delayed the opening matches until almost noon. Then so rapid was the succession of matches that when play ended for the day the entire first round and virtually all of the second had been completed. The rain had little effect upon the turf, but the gray light and humidity proved trying.

N. W. Niles, Massachusetts champion, and T. R. Carpenter, former Pennsylvania title holder, were allotted the grandstand court and Niles proved to be the winner in straight sets. Of the three foreign players entered two were eliminated and the third Baron H. Von Loramer defeated Louis H. Hobbs in straight sets, but his brother, K. Von Loramer, after playing four fast sets against E. C. Wilson, defaulted in the fifth with games 5 to 4 in his favor.

P. A. Valle, of England, drew Alfred Dabney as an opponent in his initial match and lost in straight sets.

CANADA WHAT L

New Democratic Tariff S. Senate, will Give than the Liberals Reciprocity Purchas teresting Comparison of "Standing Pat."

Special Correspondence of The Standard. Ottawa, August 16.—The Liberal Reciprocity bill is a pleasing example of the Democratic party's ability to do more than the Liberal Reciprocity bill. When the Reciprocity campaign by the opponents of the agreement was towards a lowering of the tariff, no matter what Canada was trying to induce Canada to do if the proposed purchaser proved and did not purchase, Canada's servants and the dissident Liberal party. The Democratic party has not merely done more than the Liberal Reciprocity bill, but has held fast to the principle that the Senate has effected upon the bill in the direction of a still further reduction of the tariff.
