Y. W. P. A. Will Cater For Dinner

An executive meeting of the Y. W. P. A. was held at the G.W.V.A. rooms last evening, at which a large amount of business was transacted. It was decided not to hold a meeting in Holy Week, so several matters which came up for discussion were settled by the executive. One of these was that the catering for the Ypres dinner will be undertaken by the Y. W. P. A., and Miss Eileen Keefe was appointed convener of a committee to take charge of this, with Miss Boyar on her committee.

A letter was read from Miss Alice Walker, Secretary of the Red Cross Society, thanking the Y. W. P. A. for

the work accomplished, and stating that this organization had given a great deal of assistance in the work. Miss Hazel Dynastadt and Miss deSoyres reported on the meeting of several boards as members of the Citizens' Reception Committee, and Miss Fairweather reported on attending the meeting called to consider the welcome to be given returning units. The Y. W. P. A. were asked to attend the meeting held at the Red Triangle Club. It was reported that fifteen records had been purchased for the soldiers at East St. John County Hospital, and the executive highly approved of this purchase. Picture books and candy are to be bought for the children in the hospital. Miss Willett and Miss Howard were appointed to look after this.

Plans for tag day, which is to be held on Easter Saturday, were discussed, and other undertakings to be

A Recital Last Night At Y. M. C. I.

Last evening a large audience gathered in the auditorium of the Y. M. C. I. on Cliff street, to hear the recital of "Hilary's Daughter," which was given by Mrs. S. J. Richey. The entertainment was held under the auspices of the Catholic Girls' Guild, and the proceeds are for the work of that society. Mrs. Richey gave a wonderfully clever interpretation of the various parts in the play, which is in five acts, bringing out the meaning of the different lines and showing splendidly her characterization in her work. She

was a member of the original cast when the play was given at the Mission Church in Roxbury, Mass. The scene is laid in Jerusalem and the action takes part in a room in the house of Pilate in the hours immediately preceding the Crucifixion. Hilary's daughter, a little child of six years old, throws a rose, which touches Christ's gown, and thus becomes endowed with miraculous powers. This miracle of the rose is woven through the story in a very beautiful way. Many expressions of appreciation were heard at the conclusion of the play for the treat which had been enjoyed, and the fine spiritual power of the story.

According to everyone, a man is either a fool or a knave if he fails, a Solon if he succeeds. Nobody goes by anything but results.

"HER INSPIRATION"

HERE, LADIES AND GENTLEMEN, we have a photoplay that will deliver one of the prettiest surprises you have ever experienced in film entertainment. The atmosphere of the piece is first that of the Kentucky mountains when the moon-shine whiskey stills were hunted out by the revenue officers, then it changes to the realm of the stage in New York. To tell you anything further would spoil the picture for you—that is the surprise that it contains.

Quick, Harmless Way To Remove Wrinkles

Springtime brings wrinkles to many sensitive skins that are much exposed to winds and changing temperatures. To make an effective wrinkle remover, mix an ounce of powdered sassafras and a half pint witch hazel. Bathe the face in the solution—immediately every wrinkle is affected. It acts wonderfully on sagging facial muscles, also, the lotion possessing remarkable astringent and tonic properties. Use it once a day for a while and see how it will improve your facial contour.

This simple lotion cannot harm the most delicate skin. The treatment itself leaves no trace—no one guesses the secret of your increasing youthful appearance. But be sure to ask the druggist for the powdered sassafras.

Needlessly Provident.

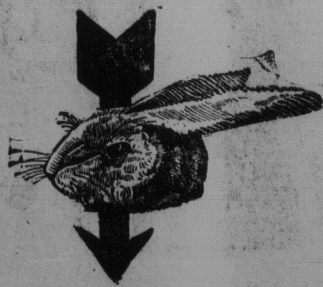

N. Y. Herald—Old Bill Hohenzollern has quit sawing wood, just as everybody thought he would. Quitting is the one thing at which Bill excels. But, then, who can blame him? Why make a big pile of wood when the sheriff is about to carry away the cook stove? And why prepare for next winter when, most likely, there ain't going to be any next winter?
