### Fairville Drops Down A Point

#### Carleton Had Quite an Easy Time — Some Good Baseball in Spots.

Carleton slid one over the Fairville team last night in a City League fixture to the tune of fourteen to five. The game, however, was an interesting one, and a fair-sized crowd witnessed the proceedings.

### Fight Ended In The Third Round

#### Board of Boxing Control Gives Out Statement in Regard to the Big Contest.

New York, July 14.—The Board of Boxing Control in an official statement issued tonight announced that but forty-seven seconds of the third round had elapsed in the Dempsey-Willard bout when Willard's seconds tossed a towel into the ring as a token of defeat. The board also declared that the bout at Toledo on July 4 ended in the third round. These decisions were made as a result of numerous inquiries received from all parts of the country. The statement, which was signed by Adam Empire, secretary to the board, is as follows:

"A report having been widely circulated that Warren Harbort, timekeeper appointed by this board for the Willard-Dempsey contest, had written to Mr. Pecora, stating that the interval of one minute between the third and fourth rounds had expired before Willard's seconds threw a towel into the ring, I beg to state that Mr. Harbort has written no such letter and further that the statement reported to be contained in the alleged letter is contrary to the facts, as only forty-seven seconds had expired in the interval referred to when the signal of defeat was given by Willard's seconds.

"The board is in no way concerned with wagers that have been made on the contest, but as a number of inquiries have been received, it has considered the question of when the contest terminated, in all its bearings, and the board has decided that it should be regarded as having ended in the third round."

### AFTER DEMPSEY.

Paris, July 14.—Bob Martin, heavy-weight champion of the American expeditionary force and the winner of the Pershing Stadium, has issued a challenge to the winner of the Carpenter-Dick Smith fight. If he fails to obtain a match here, Martin says he will return to the United States and attempt to meet Jack Dempsey.

**LEAGUE RULES.**  
The grounds committee of the East End Improvement League met last night, and it was decided to open the league games to any ball player deemed eligible by the competing clubs. It was also posted that all clubs in the league must furnish the list of regular players and spares, to the number of eighteen, in time for the next meeting, Monday night. A meeting of the executive will be held tonight.

**A PROMISING YOUTH.**  
First baseman Scott of the Toronto Internationals, has been released to the Flint club of the Michigan-Ontario League. Scott, whose home is in Bayview, N. J., was recommended to the Leafs by the scout who discovered "Tommy" Thompson, Atchafalpa, Quinn and others. He is a first baseman without experience in other no-strike, and a youngster who promises to develop rapidly.

### SPORT CHATTER

Halifax has one of the best athletic grounds in Eastern Canada, while here in St. John the boys have to play baseball on the city dumps. On Saturday a visiting team had to be accommodated on Queen square, West. The diamond is fair but the street car track spoils the field.

There is now an agitation for an age limit for champion fighters. It is suggested that anyone over thirty-five be not permitted to engage in a boxing exhibition. It would sure come hard on some of us old "uns."

There are still some sports in which the aged might indulge. Out at Pair beach on Saturday the married men defeated their younger and unmarried fellow citizens by a score of 12 to 2 in a baseball match.

Bathurst is going into sport with renewed vim. Recently a strong athletic association was formed in the town and committees appointed to look after the different branches. The athletic field has been improved and a good season of sport is expected.

The local boys, who brought the Calais team here for the game Saturday, had to take all the financial risk as well as providing sport for the spectators. Even at that they just made expenses and that was all. Their efforts deserve something better.

The St. John Trap-Shooting Association offers an opportunity for much useful pleasure. The members have a great chance to train their eyes and nerves.

Yale has adopted the one man rule for all her athletic teams. Dr. A. H. Sharpe, a former Yale half back, will fill the new position. For several seasons he was head coach at Cornell and developed some fine athletes. He is now being supervised of the football team Sharpe will be responsible for the training of the baseball as well as the basketball team.

Yale has decided that changing of the coaches every year has not brought about the desired results, and the one man scheme will be given a fair trial.

### Scores Made At Bisley Ranges

Seven Shots Instead of Usual Ten for Alexandra Cup at 600 Yards.

Bisley Camp, July 14. (By The C. A. P.)—Seven shots instead of the usual ten for Alexandra Cup at 600 yards have been rendered necessary because only one competitor goes down to the target at one time. These changes which naturally delay progress, have been instituted owing to the markers manifesting discontent at making more than one competitor per target.

Scores are:  
Martin, 32; Smelser, Setnure, aggregate 77; Noale 39, aggregate 74; McInnis 31, aggregate 75; Kaufmann 26, aggregate 71; W. Morris 30, aggregate 73; Faulkner 28, aggregate 70; Coe-house 30, aggregate 71; Wood 30, aggregate 70.

Canadian scores in the Prince of Wales match at 600 yards were:  
Balfour, 43; Elmit, 35; Francis, 37; Hutchinson, 37; Martin, 41; Rae, 48; Richardson, 42; Utton, 41; McIlmies, 43; and Roberts, 35.

The results of the Alexandra Cup match are as follows:  
C. F. Smith, School of Musketry, 93, first.  
A. G. Fulton, Queen's Westminster, 90, second.

Lieut. Runciman, 70th Royal Scots, 90, third.  
Richardson, Canada, 87, tenth.  
H. E. Rae, 86, eleventh.  
Utton, 84, thirty-first.

The game went for seven fast findings. Murphy and Covey were between the points for the Shamrocks while Cobban and Weckham officiated for the Tigers. The game last evening gave the Tigers the big end of the series of three matches between these clubs.

### New Manager For Cornell Sports

New Coach Gave up Law Practice in Order to Handle Ithaca Athletes.

Romeyn Berry of New York, has announced his acceptance of the position of Graduate Manager of Athletics at Cornell University, succeeding Dr. Ervin Kent, who resigned last year to enter war service.

Berry, who was prominent in athletics, fraternity, and literary circles at Cornell as an undergraduate some fifteen years ago, will give up his law practice in this city and live at Ithaca in order to reorganize and develop athletics at Cornell upon a broader scale than heretofore attempted in Eastern colleges. He is a member of the American Olympic Committee, Intercollegiate A. A. Athletic Committee, and the National Collegiate A. A. Rules Committee. In outlining his plans Berry said:

"Intercollegiate competition between 'Varsity' teams under careful faculty control is a good thing, but, of course, not enough men are directly benefited by it. The way to correct that is not to destroy 'Varsity' sport but to encourage it, and at the same time to get all of the students on the playing field or the water between 4 and 6 in the afternoon, most of them as members of some team or crew. That's what we have been doing at Ithaca, and what we want to do to a still larger degree."

WILL PLAY TOMORROW. The Customs House nine and one from the Evening Times are scheduled to play a game of ball on the Queen Square diamond tomorrow evening.
