Dear Sirs,

I am with pleasure to say I had the honor of your Spramotor outfit. I have never seen such an improvement made in man your time to like, and I think you deserve credit for the enterprise you have shown in making them strictly first class.

We are using both your large and small sized outfits, and they are giving excellent satisfaction. Your latest improvements, the Spramotor Jr.'s No. 1 & 2, are all that could be desired, and I can heartily recommend them to all who have anything to do.

Yours truly,
