EXAMINE IT. Palmer's Patent JACQUELINE CORSET.

DRESS MAKERS recommend it as being the best Corset to fit a Dress, because it is all such a manner that the front and back seams fit like seams to a dress.

It is superior to any other Corset now in use, because its peculiar style of cutting gives sufficient fullness to the bust, without fattening at the top, gradually and evenly fitting to and over the hips, is longer front and back than ordinary Corsets; and in fact, it is the Only Corset Cut in this manner.
