St. George's Hall has a seating capacity of about 500. It furnishes excellent accommodation for Lectures, Concerts, Musical Recitals, Conventions, afternoon and evening Social Entertainments, etc., etc., at very moderate charges.

It is well lighted, heated and ventilated, is supplied with convenient supper, dressing, and retiring rooms, kitchen, etc., and is of easy access, being on the ground floor of the building.

In addition to the Hall there are Lodge Rooms and Parlors suitably furnished for Meetings of Societies and other bodies.

Application may be made to the Secretary, who will be pleased to show the premises.

NORTH SIDE OF ELM STREET, NEAR YONCE

To the Shareholders.

The St. George's Hall building was erected for the use and for the benefit of St. George's Society, and the funds were contributed by the members of the Society.

By liberal gifts and through the financial success of "Ye Olde Englyshe Fayre," the Society has become the owner of four hundred and forty-nine shares in the paid-up stock of the Hall Company.

It is hoped that many more persons will assist the charitable work of the Society by giving a portion, at least, of the shares they hold, either by a donation while living or by will.

To aid anyone so disposed, the accompanying form of bequest has been prepared.

J. HERBERT MASON,
President.
