ANSWERS TO CORRESPONDENTS,

(Continued).

EDNA C.—A red dress, slippers and hose would be perfectly suitable on the occasion of a dancing party. We have not space to give correspondents forms for letters on given subjects.

T. I. J.—We do not recommend the use of bicaches for the hair, but if you are desirous of using one try peroxide of hydrogen, for sale with directions for use at any drug store.

E. B.—To clean velvet, invert a hot flat iron place over it a single thickness of wet cotton cloth, lay this on the velvet, wrong side next the wet cloth, rub gently with a dry cloth until the nap is raised; take off the iron, lay on a table and brush it with a soft brush or cloth.

BRUNETTE.—A suitable travelling costume for a bride may be developed by costume pattern No. 7821, price 1s. 8d. or 40 cents, illustrated in THE DELINEATOR for September. For the lilac and black satin toilette we would recommend basque-waist pattern No. 7766, price 1s. 3d. or 30 cents, and skirt No. 7772, price 1s. 3d. or 30 cents, both illustrated in the August number.

LILIAN.—For information on the subject of correspondence see Mrs. Pryor's article on The Social Code in the August number of THE DELINEATOR.

A KANSAS GIRL.—Directions for making gelatine preparations are given on the boxes in which it is packed. Recipes may also be found in the Pattern Cook Book, published by us at 1s. or \$1.00 per copy.

EDITH.—Freckles are extremely difficult to remove as they are caused by the action of the sun on particles of iron deposited just under the scarf skin. The following remedy, however, often proves effectual:

Elfer-flower ointment.....1 ounce.
Sulphate of zinc.....20 grains.

Mix well, and rub into the affected skin at night; in the morning wash it off with plenty of soap and water. When the grease is completely removed, apply the following lotion with a linen cloth:

Infusion of rose petals.....1/2 pint.
Citric acid.....30 grains.

If any unpleasant irritation should ensue, a lotion that will give immediate relief consists of:

Almond mixture.....1/2 pint.
Goulard's extract.....1/2 drachm.

This should be well mixed and thoroughly applied.

POSTAGE STAMPS WANTED.

We are prepared to purchase, for immediate cash, postage stamps of New Brunswick, Nova Scotia, Prince Edward Island, British Columbia and Canada, such as were in use before Confederation. Also of Newfoundland and all foreign countries and the United States. No stamps of modern issues desired.
