**HAVE YOU MADE YOUR WILL?
 IF NOT YOUR FAMILY IS UNPROTECTED**

No Lawyer is Necessary

For thirty-five cents you can make your will and be absolutely assured that it is perfectly legal in every respect, and that it cannot be broken by anyone, no matter how hard he may try.

Delay in making your will is an injustice to those whom you wish to be taken care of. The courts are full of Will Cases, where by legal technicality or the absence of a Will, the people who inherit property are almost the last ones that the deceased would want to share in it.

Life is very uncertain.

So if you wish to assure those who are nearest and dearest to you of receiving all that you wish them to have, instead of paying \$5.00 to \$10.00 to a lawyer, send 35 cents for a Bax Legal Will Form, which also includes a specimen Will for your guidance. Fill it out according to simple instructions, and you may be perfectly sure that it will stand every legal test, and cannot be broken under any circumstances.

Why not send to-day, now, while it is on your mind to The Bax Will Form Co., Room 20, 275 College St., Toronto.

THE only real guarantee of quality is the integrity of the maker.

For over a quarter of a century the mark of the "Winged Wheel" on a gold-filled watch case has been as standard among reputable jewelers as the Hall Mark of England.

Safeguards you against spurious substitutes. Look for it.

I WANT A GOOD MAN

To act as General Agent and District Manager, and appoint sub-agents for the sale of my FLORIDA LAND.

No experience necessary. Men who have prospered as insurance agents, high class book agents, travelling salesmen, etc., are positively getting rich selling land, for the people of this country are land hungry. I pay the general agent \$50 spot cash on every 10-acre farm sold. My terms of \$5 a month for a 10-acre farm (no interest, no taxes), makes it possible to sell to nearly everybody. No capital required, but man must have a standing in his community and be willing to work. Good men earn \$100 to \$500 weekly; side-line men easily make \$50 to \$200 weekly, working spare time only. If you think you can fill the bill, send for "Confidential Circular to General Agents" and "Selling Manual." Both free if you are the first to apply from your locality.

His Own Reporter.—A sporting editor sat at his desk one Saturday evening, when a little boy in spectacles entered solemnly and handed him a report, written in an unformed hand, of a game between the Harkaway Juniors and the Young Deadwoods.

The editor glanced over the report. It ended with the words: "The feature of the game was Mannering's superb playing. Mannering tackled faultlessly. He kicked two magnificent goals, and the four touch-downs Mannering scored were the finest ever seen on the field."

"Who's Mannering?" asked the editor.

The spectacled midget answered proudly, "Me."

Saving.—"How is it that Rufus never takes you to the theatre any more?"

"Well, you see, one evening it rained, and so we sat in the parlor."

A Long Thirst.—A lawyer tells the following of a judge who in his day was an advocate of temperance in eating, in drinking, in the use of tobacco—in all things.

Praising temperance at a lawyers' banquet, he once told a story about a young wife, who said to her husband:

"Jack, dear, I do wish you would stop drinking. Every time you go to one of these banquets of yours, you get up the next morning pale and tired; you won't eat anything, you just gulp down nine or ten glasses of water. Do stop drinking, won't you, dear? I know it's bad for you."

"But all great men have been drinking men," Jack grumbled. "Look at Webster, look at Poe, look at Charles Lamb, look at Grant, look—"

"Well," interrupted his wife, "you just promise, dear, that you'll quit drinking till you're great, and I'll be satisfied."

Lower than ever in Price—Higher in Quality

In this popular Ford touring car there has been no mistakes to correct—no experiments to try out—but conveniences and improvements have been added that make it stand alone as the very height of value possible to obtain in Canadian-built cars.

We are often asked: "How are you able to make such a wonderfully good motor car for such a low price?" The answer is simple: Immense quantity production (75,000 Fords will be built in 1912); extreme simplicity of design combined with materials of great strength. Add to this, the known quality of Ford cars, and the great demand that exists for them, cuts selling expense to a very low point. Those big prices asked for many cars mean the salesman must make a big profit.

Remember this: no Ford cars are sold unequipped. When you buy a Ford, you buy a whole car.

We would like you to send for our series of books, which we will gladly send without charge, which fully illustrate and describe the various features of the different Ford cars. Go to your nearest dealer and ask to see the Ford cars that interest you most.
