

## INTRAMURAL PROGRAM

### RECREATION PROGRAM SAYS THANKS

*We could not have done it without you!*

The Physical Recreation and Intramural Program extends heartfelt thanks to all the students who worked so faithfully in the past year. These individuals were largely responsible for the recreation program that was available for the UNB/STU students, faculty, staff, alumni, and their families. Our student staff served in many capacities including coordinators, referees-in-chief, officials, sports reps, instructors, lifeguards, and supervisors. Their interest, enthusiasm, and dedication was invaluable.

In order for the Program to continue to grow and develop to serve the needs and interests of the university community we need student personnel for the coming year. This is your opportunity to get involved in a critical part of university life, to acquire some valuable practical experience, to improve your resume, to meet some new friends, to earn some spending money and to have a good time while you are at it.

If you are interested in becoming involved in any aspect of the Physical Recreation and Intramural Program next year you should complete an application form before you leave for the summer. Application forms are available from the Recreation Office, Room A121 L.B. Gym. A training workshop will be held for all intramural coordinators and referees-in-chief on Monday April 10. If you have any question or concerns, please feel free to contact the Program Director, Shirley Cleave or the Aquatics Coordinator, Jeff Burkard at 453-4579.

### SPRING FITNESS PROGRAMS

The popular Fitness Classes will recommence after the Spring Exam schedule. Classes will be held at Noon Hour and in the late afternoon in the Dance Studio at the L.B. Gym. Further information will be available from the Recreation Office next week.

### FIRST ANNUAL CAPITAL CITY INVITATIONAL BALL HOCKEY TOURNAMENT

The New Jersey Devils capped off a three year dominance of UNB ball hockey by capturing the first Annual Capital City Invitational Ball Hockey

Tournament held here over the week-end.

The Championship game featured a rematch between Neville House and the New Jersey Devils. During preliminary play the Devils literally scored at will against a rather listless group of Norsman, crushing them 13-2. The gold medal game however was a much different story.

While the Devils rushed to a quick 4-0 first period lead on goals by Louis Brill, Marc Pepin, Derrick Heam and Benyi Young Neville remained disciplined, playing clean aggressive hockey. Their determined fore checking and tight defense in front of goalie Gerald Arsenault brought the Devils scoring strength to a stand still. Andy Scavoie and Floyd MacDonell finally penetrated the solid Devils defence to put the Norseman within two. This was as close as they would get however as the Devils would score a last minute goal to capture the gold medal by a score of 5-2. In all a highly competitive week-end of ball hockey. Andy McQuaid of the Devils was selected unanimously by the officials as the tournament MVP.
