

Eric Hillis, Peter Herrndorf and George Cooper in discussion at Student Forum.

## POWER POLITICS?

Is party politics to become of age at Dalhousie?
The possibility seems very real. This year for the second time a group ran as a "TEAM" in the Commerce Society.

## Student Forum

The first student forum of the year was held in Room 21 to give student Council candiates a
the platforms. he platforms.
The questions were often sharp usually satisfactory
Eric Hillis came in for most of the questioning but on many matters Mr. Herrndorf added a comment. Neither Vice-Pres-idential candidate said much but when they did they showed a pective flelds.
Though the publicity for the forum was poor the turn-out anticipated the large vote of the following day and in some instances changed the results.
Whether negatively or positively the answers spurred many to further thought about student affairs and promised great support for the new council,

Last year Larry Day, Dick Isnor, and Peter Mills joined forces to approach the Dalcom electorate. This year a group pooled resources and offered as a full slate for the Dalcom Executive.

The campaign was directed to having voters remember the names of "TEAM" members. Campaign material was:
(1) A letter to each member of Dalcom.
(2) buttons reading "I'm for the team"
(3) a few well-placed posters. The success is astonishing. Six of the seven members of the TEAM were elected. The actual vote was:
Vice-President
Renou
Mills
Vice-Preside Somptrolle DAAC
