

Government House
Fort Garry, 8th November 1877

Sir,

I have the honor to enclose
you a Report made to me by
Kenneth McKenzie, M. P. P. of a recent
visit made by him to the Sioux Reserve
at the Little Saskatchewan. I call
attention to his suggestions as to the
necessity of some supervision being
had over these Bands of Sioux, and
some directions afforded them as to
farming.

I fear that unless this is done,
they will resume their former wandering

They are easily discouraged,
and the failure of their crop, owing to
