Hon. Arthur Meighen,
House of Commons,
Ottawa, Ontario.

Dear Arthur,-

At luncheon yesterday you
said something about a car.

I intended to say to you that
if you wanted to make a purchase this year, I
would be very glad to arrange a special price
on any model that you might select.

I don't want to have any of
our people chasing you for the business, but if
you feel you would like to purchase, I would
consider it a privilege to be able to make the
cost price a little lower.

Yours faithfully,
