26th May

70

Sir,

In connection with previous correspondence respecting the proposed construction of roads, bridges and culverts on the Saugeen Reserve, I now enclose plans and specifications of two portions of road to be built on the Reserve which were, through an oversight, not forwarded as requested by you in your letter of the 17th April last.

These Plans and specifications should be returned

James Allen Esq.
Indian Agent,
Saugeen, Ont.
