"SAVE THE HORSE" SPAVIN CURE

Fredericktown, O., Sept. 22, 1908. I have been using your splendid preparation and with the best of results. I have used 5 bottles all told on different horses and found it splendid. I have a four-year-old that I have taken wind puffs off of and have driven her hundreds of miles on my trips; have been offered \$250 for her, as she is a well-bred one. I purchased "Save-the-Horse" of druggist, F. F. Hosack.

F. W. PLUMMER, General Teaming, 137 North Third Street, Philadelphia, Pa.—I can give it the best recommendation, used it on thoroughbred and bone spavin with great success. Both horses are used every day at the hardest kind of work, which is a great thing among horsemen. As the saying goes, "Seeing is believing."

Do you know

That the **MAGNET Cream Separator** gears, the **one-piece skimmer** and **double-supported bowl** are made strong enough to last for **fifty years**. There is **no wobbling**, does not get out of **balance**, therefore turns easy. Skimming is perfect; it also takes all foreign matter out, thus giving pure and clean cream.
