DISPERSION SALE

—OF—
SHORTHORN CATTLE, SHROPSHIRE SHEEP

—AND—
High-class Agricultural Brood Mares
AND FILLIES,

ON WEDNESDAY, MARCH 19, 1890.

WE WILL SELL BY PUBLIC AUCTION

At Our Farm, 5 Miles South of London, Ont.

80 head of Shorthorn Cattle, comprising two imported Cruickshank Bulls, and Cows and Heifers of similar
breeding, with representatives of families, as bred by Silvester Campbell, Kenellar, W. S. Marr, of Upper
Mill; also, a choice lot of imported Shropshire-down Sheep; and in foal Farm Mares and Fillies of extra
good quality and breeding.

The proprietors have reluctantly concluded to sell, without reserve, on account of two of the firm
having made other business arrangements, and are therefore giving up farming.
Terms: A credit of eight months, on approved paper. Teams will be at the station, London, and
drive visitors to the farm the day of and evening previous to sale. 280-b

FRANK R. SHORE & BROS.

STOCK GOSSIP.

James Smith, Maple Lodge P. O., Ont., writes:—
We have had the following additions to our herd by
birth during the past month: Lovely Queen 3rd, a
red heifer; Lovely Queen 4th, a red bull; Duchess
Jane 5th, a dark roan heifer; Princess Constance
Ninetzin 2nd, a red bull; Rosy Queen 2nd, a red
heifer; Constance of Maple Lodge, a red heifer.
All are growing nicely.

Mr. J. C. Snell, Edmonton, Ont., writes:—I was
delighted to learn that at the Christmas show of the
Smithfield Club the championship prize for the best
pair of pigs of any age or breed was won by Mr.
N. Benjamin, Motcombe, Dorset, with two young
Berkshire sows, which were own sisters of our
imported boar Royal Star, himself the winner of
seven first prizes and a championship at leading
shows in England last year. These are said to have
been a wonderful pair of pigs, weighing quite
twenty scores each, at 8 mos., 3 wks. and 6 days old,
and were sold to a Reading butcher for £29, or
about \$145. The London Live Stock Journal, com-
menting on the show, says: "Of the pair which won
first prize in the older class, and also the breed cup,
one died immediately after the award was made,
and so could not come to the scratch in the champion
contest," and adds, "This is a feather in the caps of
the breeders of Berkshires, having at least two pens
good enough to win the championship." Mr. Snell
adds, They had at least three pens good enough for
the reserve number, for the championship was also
a pair of Berkshires.

John Miller & Sons, Brougham, Ont., write:—We
are having an open winter with no snow. Stock of
all kinds doing well. Business has been rather dull,
as it always is at holiday times, but now we are
having lots of applications for horses, bulls and
rams, and a few for mares, cows, heifers and ewes.
We have this season sold considerably over five
hundred pure-bred Shropshires, and we will sell
another hundred in the next sixty days. We have
on hand our usual number of breeding ewes, all
imported, and all, but six, two years old past. We
consider this the most valuable age. We also have
about one hundred rams; they are selling fast. We
have the very best lot of stallions we have ever had,
and they are going to be the very best and most
profitable kind of shape for next season. Our mares
are doing well and nearly all in foal. We have a
few choice young bulls and the best lot of heifers
we have ever had. Our stock bulls, Vice Consul and
Northern Light, are looking and doing well. We
have a nice lot of calves just dropped, mostly
heifers.

The Woodside flock of Southdown sheep made
the rounds of the shows of 1889 with marked
success, securing 116 prizes, amounting to nearly
\$1,700. Mr. Jackson has made the following sales
at good prices:—One ram and two ewes, J. M. Peck,
Hornellsville, N. Y.; one ram lamb, A. Hammer,
Rosehill, Ill.; one ram, H. J. Haight, Dover Plains,
N. Y.; one ram, W. H. Bly, Harmony, N. Y.; one
ram lamb and three imported ewes, Wm. V. Hamil-
ton, Caledonia, N. Y.; one imported ram, F. A.
Scott, Hantsville, Mo.; one ram lamb, David Dale,
Glendale, Ont.; one ram lamb, Geo. Glen, Carlow,
Ont.; one ram, G. E. Cresswell, Egmondville, Ont.;
one ram lamb, W. A. Wood, East Smithfield, Pa.;
two imported ewes and three ewe lambs, W. A.
McCoy, Mercer, Pa.; one ram lamb, Mr. Turnbull,
Calisterville, Ont.; one ram, Mr. Colquhoun, Hamil-
ton; two ram lambs, three imported ewes and five
ewe lambs, C. C. Noble, Theresa, N. Y.; one ram
lamb and two imported ewe lambs, John N. Camp-
bell, Ridgetown, Ont.; one ram lamb, A. R. Kidd,
Warsaw, Ont.; one ram lamb, J. Bethel, Fort Dal-
housie, Ont.; one ram, A. Adkins, Newport, Ohio;
one ram, A. Frank & Son, The Grange, Ont.; one
ram, H. Savage, Shefford, Que. The demand for
really good sheep never was better.

Smith Bros., Churchville, Ont., in a recent letter
say:—Last week we shipped four head of Holstein
cattle to Reginald Bishop, Round Hill, Nova Scotia.
They were Kramer 2nd, from Lord Ripon and
Kramer; she took 1st prize at Provincial Exhibi-
tion last year, and has become a very stylish heifer,
and has shown herself a good breeder from her calf.
With her went Valley Princess, one of the most
promising two-year-olds, in our herd. She is from
our Duke of Edgely and Finette; she from Miss
Parma, whose dam Grietje gave 83 lbs. of milk per
day; and Nettle, whose dam gave 82 lbs. of milk per
day, and 17 lbs. 4 oz. of butter in seven days.
Jennie Stapel, another two-year-old, of excellent
quality and promise, is from our Duke of Edgely;
and Jacoba Stapel, whose dam has a milk record of
83 lbs. per day, and a butter record of 17 lbs. 12 oz.
in a week. With these went Mink's Mercedes King,
a young bull of remarkable breeding and promise.
He is from Bell of Orchardside 2nd, who took 1st
prize and the diploma as best female of any age at
London Provincial; also, 1st prize at the Toronto
Industrial; she, as a three-year-old, has been aver-
aging over 4 gals. of milk per day since calving on
Oct. 2nd. She is from Belle of Orchardside, whose
dam Slepke gave during the last year 13,021 lbs. of
milk. The sire of the young bull is Mink's Mercedes
Baron, whose dam has a milk record of 96 lbs. per
day, and 16,285 in a year, and a butter record of
20 lbs. 9 oz. in seven days; his sire is Mercedes
Prince, out of Mercedes, who produced 90 lbs. 6 oz.
of butter in thirty days, and won the Breeder's
Gazette challenge shield, open to cows of all breeds.
Baron's six half-sisters have averaged 16 lbs. 5 oz. of
butter in seven days as two-year-olds, and one
three-year old made 25 lbs. 15 oz. in a week. We
feel sure that Mr. Bishop, with such a foundation
herd, will show the people of the Maritime Pro-
vinces that the Holsteins are worth the study and
consideration of all breeders who wish for a breed
that is profitable in milk, butter, cheese, and beef.
