WORKMEN'S REASSURANCE

In Canada a workman may proceed under the Workman's Compensation Act, and at common law, to recover for untold annoyance and inconvenience to himself and his family. An employer is even liable for damages to a workman's family for injury resulting from the negligence of a fellow employee. Oft-times a workman may be injured by an employer in this way. He may or may not win. Whether he does means a great deal of anxiety to you and your family. Let us relieve you of all this. Our liability policies are designed to do this very thing.
Will be glad to explain our plan.
