THE JEWISH NATION.

AS A CHRISTIAN.

Every persons who are born again by
Holy Spirit of God, and have entered
the kingdom of God, have to pass
through troubles and trials in reference
to their soul's salvation, somewhat re-
sembling the history of the children of
Israel, from their Egyptian bondage to
dedication of the temple of Solomon.

And not be like Joshua
back against God's laws, and not
and the rock of his salvation. In
use their names to be blotted out
out of the book of life, and they
first death, as a nation, by
dizziness; and their second death,
lly, by famine, and the Romans
ing them to Jerusalem.

have more of God's word for our guidance
and instruction than the Jews of old had,
we are accountable for more than they
were.
The foregoing is but a text as it were of
meditations; and one great lesson is
summed up in one short expression of
Him, who knows what is good for the
soul of man: "Watch and pray that ye
enter not into temptation." Matt. 26:
41. And all persons who humbly wor-
ship God, in sincerity, justice, and truth,
and continue therein by faith in Christ,
God will cause them to have a holy joy in
their souls, comforting them through all
afflictions. So that they appreciate the
holy justice of the three, one God; con-
sidering themselves but strangers and
pilgrims here below; looking for a city
whose builder and maker is God.

OBITUARY.

At Leadville Colorado on the 10th Oct.
in the 22nd year of his age Leander, third
son of Nathaniel and Mary A. Stevens of
Wallace, Cumberland Co., N.S.

The unexpected news of his death not
only came with overwhelming sadness to
his parents and surviving brothers, but
cast a gloom over the whole neighborhood
in which he was born. By all who knew
him he was esteemed for his steady habits,
and for the rectitude of his moral charac-
ter. About fifteen months before his
death he left his home to seek his fortune
in the far West. Providence seemed to
be smiling upon him in this respect, when
suddenly and unexpectedly he was smit-
ten down by typhoid fever. So rapid and
violent was the disease in its progress that
he was soon rendered unconscious and re-
mained so for several days, but sometime
before his death consciousness again re-
turned.

Great was the distress of his parents
and friends when they first learned of
their sudden bereavement and loss, which
distress was increased by their not know-
ing anything of the particulars of his
death, or of his religious condition in his
last hours. Before leaving home he had
made no profession of having experienced
conversion but he was followed into a
strange country by the earnest prayers
of his friends, and by the faithful coun-
sels of an affectionate brother (the Rev.
Lemert Stevens) who occupies a place in
the ranks of our ministers. These were as
bread cast upon the waters. God heard
their prayers. Great was the consolation
of his mourning friends when they learned
from those who watched him in his
last moments that he had passed away to
the spirit world leaving behind him the
undoubted assurance of his going to be
with Jesus.

NEW THEORY OF TERRESTRIAL MAG-
NETISM.—The theory lately advanced
by Professors Perry and Ayrton, of Ja-
pan, to account for the magnetism of
the earth, and which has provoked much
discussion, is thus briefly summa-
rized in the *Philosophical Magazine*.
They find this cause in the revolution
of the earth beneath the electrical
charge originally and at all times pre-
sent in the atmosphere. By calculation
they find that the difference of poten-
tials between the earth and space neces-
sary to produce a distribution sufficient
to bring about all the observed mag-
netic effects would be represented by
100,000 Daniell cells. And, as it is
authority, they prove that "if rota-
electrified it must, from its other
tion, quite independently of magnetism;
bodies in the universe, iron, thick
and if it consists of a shuf of distribu-
tion, then that that shuf by this
tion of magnetism and rotation,
electrical charge is given by Biot;

People may tell you of your being
unfit for some peculiar occupation in
life; but heed them not; whatsoever
honest employment you follow with
conscientious perseverance and assiduity,
it will be found fit for you, and will be
to you both a support and comfort.

If we could speak in tones of thunder
we would use our voice to advise all peo-
ple everywhere to get at once a bottle of
Johnson's Anodyne Linctus. As a pre-
ventive of diphtheria, pneumonia, conges-
tion and all dangerous throat and lung
diseases its value is priceless.

ALLEN'S LUNG BALSAM is warranted
to break up the most troublesome Cough
in an incredible short time. There is no
remedy that can show more evidence of
real merit than this BALSAM, for curing
Consumption, Coughs, Colds, Asthma,
Croup, &c.

We are glad to learn that the "PAIN-
KILLER" is having so large a sale in our
city. We have every reason to believe it
to be an almost never failing cure for
pain, and is a medicine that no family
should be without.—*Montreal Pilot*.
