

## Ox Tongues

No housekeeper has the facilities for producing such an exquisitely flavored meat as our Canned Ox Tongue (Helmet Brand with Yellow Label). And no competitor either, has mastered the secret, as we have, of securing the delicious juices which make the Ox Tongue famous. We want the trade of the wide-awake grocer, who knows a good article, and who buys it for the purpose of leading his competitors. Ask your jobbers for the Helmet Brand Yellow Label Ox Tongue.
